

Halloween Christmas Mashup Salad

- 1 Bag of Spring Mix
- 1 C. Fresh Blackberries
- 1 C. Mandarin Oranges
- 1/2 C. Pistachio Seeds
- 1/2 C. Dried Cranberries
- 1/4 C. Feta Cheese

1. Spread a bed of spring greens or make your own in a big bowl.
2. Place blackberries on the salad. I like to cut the blackberries in half or in thirds.
3. Drain a can of mandarin oranges and place on blackberries. Put on whole or cut in half.
4. Chop up pistachios into small pieces and sprinkle on top.
5. Sprinkle on dried cranberries.
6. Sprinkle on feta cheese. Use your fingers to mash up large clumps.
7. Make salad dressing (or buy your favorite) and toss.

Salad Dressing

- 3/4 C. Red Wine Vinegar
- 3/4 C. Sugar
- 1 tsp. dried mustard
- 1 tsp. salt
- 1 1/2 C. Vegetable Oil

1. Place vinegar and sugar in a blender. Mix until sugar is almost dissolved.
2. Add in mustard and salt
3. While blender is on a low speed, gradually add the oil through the top hole of the lid until it is well blended. Refrigerate left over dressing.
