Weekend Seminars

Join other HS students (as well as CS students of Columbia College) in exploring topics in computer science. The meetings are held on Saturdays from 1PM to 4PM. There are two in the fall semester and one in spring. Each meeting will focus on one topic or theme.

Coming

- 2016/10/29 -- [Weekend seminar: Algorithms & puzzles](#) [CLOSED]
- 2016/12/03 -- Weekend seminar: AI [subject to change]
- 2017/02/?? -- Weekend seminar: Games [subject to change]

The past

- 2016/03/19: [Weekend seminar: Cryptography](#)
