We All Need Jesus

Verse 1

**We're so quick to point a finger
And judge things from our point of view
The things that we say the trouble it makes
It hurts you and it hurts me too
This is such a fallen world we live in
It's really not the way it's supposed to be
What if we could see each other different
It'd probably change everything**

Chorus

**We're all broken people
Don't we all need Jesus
Every moment of our lives
Twenty-four three-six-five
Our human is equal
Don't we all have our weakness
Everybody makes mistakes
Everybody needs that grace**

**We all need Jesus
Don't we all need Jesus**

Verse 2

**Everybody needs a Savior
Even the ones who think they don't
We've got stuff we hide deep down inside
There's so much that we don't show
Yeah it's just a wounded world we live in
It's really not the way it's supposed to be
Isn't that the beauty of redemption
It changes everything**

All I know is that**
