***Additionally, "according to New York State GDL law, your teen must complete 50 hours of supervised driving with 15 of those being after sunset certified by the teen's parent/guardian before graduating to the next level of licensure. These 50 hours of practice are a MINIMUM requirement; try to practice with your teen as much as possible. IF YOUR TEEN DECIDES TO TAKE DRIVER EDUCATION, THE PARENT CERTIFIED SUPERVISED DRIVING TIME IS STILL REQUIRED."***
