

The CHOSEN

Cru and The Chosen are currently collaborating together.

Both Cru and The Chosen have a deep love and concern for this generation of young people. We want students to meet Jesus. We want to create *"come and see"* moments where diverse groups of friends can come together and have conversations about how Jesus and the stories of the Bible connect to life today.

Join us Spring of 2025

We see The Chosen as a pathway to a conversation that can be an evangelistic experience. We are highlighting one way your local movements might participate that is in-line with your capacity and can help you reach your ministry goals.

Pilot The Chosen on your Campus this Spring

We are piloting our co-created resources from The Chosen & Cru on campuses across the nation this Spring of 2025! Would you consider utilizing the Chosen as an evangelistic opportunity on your campus?

The Watch Party Initiative

Evangelistically invite students and their friends to a time of fellowship where you will **share a free meal, watch an episode of the Chosen, and discuss it together**. Over the course of a season (8 episodes), students will encounter Jesus in a powerful way and hear the gospel through the discussion.

Funding has been raised to pay for each meal and discussion guides are available for the first 4 seasons of The Chosen.

Optional Show [The Chosen Gen Z Documentary](#) as well.
