

BSC House Emergency Plan [Cloyne Court]

The House Emergency Plan is to be completed and submitted by the end of the 5th week of the semester to Elizabeth Greynolds, the Member Resources Assistant, at mrsasst@bsc.coop. Additionally, at least three copies of the House Emergency Plan and all appendices should be printed for the house, one to be kept with the House Emergency Coordinator, one to be kept with the Alternate House Emergency Coordinator, and one to be kept with the E-kit; an additional copy should be kept in the house office if the house has one. A roll call list and the emergency contact information of all house members should also be printed and kept with all copies, and submitted with the House Emergency Plan to CO. All copies of the roll call list are to be updated and reprinted each time there is a change in the house roster.

CERT Class: Mental Health First Aid

CERT Class: Disaster Medical Operations

CERT Class:

Date of Class: May 2019

Date of Class: Jan 2019

Date of Class:

Note regarding CERT Training:

- CERT Training is put on by the Berkeley City Fire Department. Here is the link for [Class schedule](#) (I would also encourage you to explore the city website to find out more about this!)
- Managers/members who register for training and cannot attend must:
 - Find a replacement from their house to attend in their place **or** notify the Berkeley Fire Dept in advance

that they will not be making it **AND** notify the Member Resources (MRS) of any changes made.

- The Berkeley Fire Dept will provide the MRS with a list of those co-op members who did not attend the trainings that they registered for. Any members who did not arrange for a replacement or give the Fire Dept advanced notice that they wouldn't be making it will be fined. The Member Resources Supervisor will fine houses \$25 for each no show, and House Managers may choose whether or not to levy the fines to the individual member who did not attend.
- Each member who attends a CERT training must bring back a form signed by a CERT instructor to the MRA by the 11th week.
- If anyone on our management team has taken one of these classes before, have them send their documentation to me at mrsasst@bsc.coop and I will review it.
- **You can count our Health Worker's CPR First Aid training towards meeting this requirement! Thank goodness.**

5. Emergency Staff

A. Roll Takers: A roll taker is a house resident assigned to acquire a house list and take roll call at the Emergency Assembly Area after an evacuation. Alternatively, you can have one roll taker for each segment of the house (see b.) **(FM and HM should take one slot)**

Roll Taker #1: Max Montalvo Phone #: (805)914-7445 Email Address: maxmontalvo@berkeley.edu or maxitohm@gmail.com

Roll Taker #2: **Daisy Loya** Phone #: **don't have one yet** Email Address: crazy2018@berkeley.edu

B. Floor Monitors: A floor monitor is a house resident assigned to assist with an evacuation during an emergency by alerting residents, "Fire dilling is going off, go to out evacuation area: the parking lot on Ridge Road and La Loma Ave," of their assigned area on their way out of the building and directing residents to the Emergency Assembly Area (Ridge Parking Lot on Ridge Road and La Loma Ave). The house should be divided into an appropriate number of segments that incorporate 20 to 30 people and assign one monitor to each segment. **In an emergency, duties are to be performed only if it is safe to do so. (Please help fill, thank you)**

F. Search and Rescue Team: The Search and Rescue team is responsible for retrieving the search and rescue supplies from the E-kit. They will then divide the house into equivalent sections with at least 2 people from the team designated to search each segment for trapped, injured, and disabled members, as well as evaluate the structure of the house. All rooms, hallways, and common spaces will be checked and evaluated, and injured members will either be safely evacuated or reported as trapped ASAP to the House Emergency Coordinator. After the house has been evacuated, the team will give a status report to the House Emergency Coordinator (see Appendix G). Note that trapped members must be reported ASAP after recovery, not in this final report.

No recommendations for team head, but all members must be certified in light search and rescue or have search and rescue experience. (see Appendix H). In an emergency, duties are to be performed only if it is safe to do so.

(Certified in either light search & rescue, CPR, First Aid, or have some experience (ex:EMT,etc))
