Annual Registration Fee(July 1st- June 30th): **This fee has been waived for the 2024-2025 School Year** \$75.00 per child, \$100.00 per family. These fees pay for the cost to enroll families into the program, which includes setting up accounts so parents can access our new parent portal. Parents will be able to enroll, schedule, pay with credit or debit cards, and access receipts, schedules, and year-end tax statements online, 24 hours a day, 7 days a week. Registration fees are allocated toward the cost of the SchoolCare Works parent portal, our online scheduling and payment system. Families are only required to pay **one** registration fee for each school year, even if the child(ren) attends more than one BASE program. When registering for multiple BASE programs, SchoolCare Works will charge a registration fee for each program in order to create your parent portal account(s). After you have paid the additional registration fee(s), you will need to contact SCWBASupport@dcsdk12.org - we will refund any duplicate registration fees that you have paid to additional BASE programs.
