Video Money Sites in 58 Seconds

One of the best ways to generate online income is having a video site.

People love watching videos and video sites get WAY more traffic and sales!

But building video sites is HARD.

- You need to find great videos.

- Then you need to curate them.
- Doing this for hundreds or thousands of videos can take weeks or months.

No worries though - I got your back. :-)

My friend George Katsoudas, aka "The Greek Geek", just released this really cool software that creates "video money sites" - from other people's YouTube videos:

Here are the highlights:

[+] Legit and ethical way to quickly build sites that people love, starting from scratch.

[+] Generate multiple streams of passive income.

[+] Intuitive, and beginner friendly. No experience needed.

[+] For "average Joes and Janes", busy website owners, and marketers.

[+] Limited-time, fast-action, launch-period bonuses.

Your Video Profit Engine questions ? answered

Email Body:

Yesterday, I told you about Video Profit Engine
– a software that builds video money sites in
58 seconds.

People have asked me several questions about
it, so I decided to answer the main ones here:

*** How does Video Profit Engine work in a nutshell? ***

Step 1: Enter the offers you want to promote
(affiliate offers, your own products, CPA offers, etc).

Step 2: Enter your niches' keyword like "dog training"
for example.

Step 3: Click a button and your site will be
ready in less than a minute.

*** Will I Receive Updates? ***

Constant updates can get expensive over time, but you'll get future updates at no extra cost.

*** Are there any upgrade offers after I purchase? ***

There are some optional upgrades if you want to get even faster results...

Upgrade 1: The PRO version that allows you to get 10 times more traffic in half the time.

Upgrade 2: The Developer License that allows you to get paid by clients to use Video Profit Engine on their sites. You can also sell sites built with VPE.

Upgrade 3: Done-For-You Club. Every month you will get profitable niches, keywords and Youtube channels. You can just paste them in VPE and generate even more sites, instantly.

Upgrade 4: Campaign Cloner. These are ready-made affiliate campaigns that will allow you to "copy and paste" your way to more

affiliate commissions.

Upgrade 5: Done-For-You Viral Social Traffic.

Get 1000s of visitors daily From Facebook, Instagram,
& Twitter with a database of 82,476+ ready-to-go memes.

*** Will I get help if I need it? ***

Absolutely. Just contact the Video Profit Engine
support desk, and their friendly staff will help you
with anything you need.

😬 The #1 Lie They Tell You

Email Body:

One of the biggest LIES told online is that you can make easy money without a website.

The TRUTH: Almost everyone who is successful online has a website. So, yes, you do need a website.

And the best type of site to have is a VIDEO site.

😊 Good news, bad news 😬

👋 FYI

Email Body

A few days ago, I told you about a software that builds “video money sites” without you doing any of the work.

The good news:

The software works in the real world. And people love it.
See what they say here:

The bad news:

I don't want to put pressure on you by using "urgency"
– but the price of the software will go UP on [DATE] [TIME]

This is not one of those fake scarcity tricks – this is real.
I know the creator of this product and he does what he says.

So, if you want to own an army of profit-producing
video sites, pick up this software at its lowest price
ever from here:
