OBLU NATURE Helengeli by SENTIDO among the top 1% and OBLU SELECT Sangeli among the top 10% of hotels worldwide recognised by Tripadvisor Travelers' Choice Awards.

Maldives, 26 May 2025 – Lifestyle hospitality brand, [COLOURS OF OBLU](#) is basking in global recognition, as two of its standout resorts earn prestigious accolades in the Tripadvisor Travelers' Choice Awards 2025.

OBLU NATURE Helengeli by SENTIDO has clinched the coveted Best of the Best title, placing it among the top 1% of hotels worldwide, as rated by travellers on Tripadvisor. Within the COLOURS OF OBLU portfolio, OBLU SELECT Sangeli also continues to impress, securing a place among the top 10% of hotels worldwide. These honours reflect genuine, first-hand guest reviews over the past 12 months, affirming the brand's unwavering commitment to heartfelt hospitality and exceptional experiences.

"There's a special kind of magic in Helengeli's coral-rich waters, vibrant house reef and soulful island life – a sense of wonder that our guests connect with deeply," says Alain Trefois, General Manager of OBLU NATURE Helengeli by SENTIDO. *"This award is a celebration of the passion, care, and genuine warmth our team brings to each guest's journey, blending marine adventure with relaxed Maldivian charm."*

Among the best dive spots in North Malé Atoll, OBLU NATURE Helengeli by SENTIDO allows guests to dive in and snorkel in the spectacular house reef, accessible from the shores of the island. A recent transformation introduced overwater villas, family accommodations, new culinary experiences and a refreshed design that blends barefoot luxury with a sense of exploration.

The team is constantly evolving the guest experience with fresh ideas. From Bodegas Martín Códax wine events this August, to pioneering partnerships with TGI Maldives, PADI, and ELE|NA Ayur for the inaugural Women's Dive Month this July, blending ocean exploration with wellness and relaxation. Throughout July, all travellers can enjoy 20% off stays, along with exclusive savings of up to 20% on dives and selected healing treatments at ELE|NA Ayur spa for ladies.

"Sangeli has always been about balancing serenity with lively experiences – from our island-chic private villas to the pool parties and delectable dine around," shares Jenni Hartatik, General Manager of OBLU SELECT Sangeli. *"What makes this recognition so meaningful is that it comes straight from our guests. It tells us we're getting it right – that the Sangeli spirit, brought to life by our dedicated team, leaves a lasting impression"*.

OBLU SELECT Sangeli, located in the North-Western tip of Malé Atoll, is an all-inclusive haven that caters to both couples and families. With separate adults-only and family-friendly zones, it offers vibrant dining, an overwater spa, and curated experiences that celebrate island life. Its lively spirit, contemporary design, and emphasis on joyful moments make it a favourite for those seeking a stylish yet laid-back escape.

True to its commitment to eco-conscious travel, Sangeli is Green Globe Gold certified and home to a thriving coral conservation garden. The resort recently unveiled a state-of-the-art underwater camera that streams live footage of the reef directly to guest villas. This innovative touch that brings the marine world closer for all guests, even those who don't snorkel or dive. Looking ahead, a curated selection of exclusive culinary concepts and an exciting global wine brand partnership, a first for the Maldives, are set to elevate the culinary offering even further, promising to impress even the most discerning of palates.
