

Summer Research Opportunity for Young Faculty: RAISE 2026 at IIT Jammu

IIT Jammu invites applications for the RAISE (Research Advancement and Immersion for Scholarly Educators) 2026 program, an intensive one-month summer research initiative (June 1-30, 2026) designed for young faculty members (below 45 years as of June 1, 2026) from academic institutions across India. The program is coordinated by the Centre for Essential Skills (CES), IIT Jammu.

Program Focus: Collaborative research under the mentorship of IIT Jammu faculty, fostering academic advancement and strengthening research capabilities. The program will culminate in a seminar and poster presentation event during the final week, providing participants with an opportunity to showcase their research outcomes.

RAISE - 2026 Program guidelines are as follows:

Eligibility Criteria:

- The applicant must be a regular faculty member of a recognized college or university in India.
- The upper age limit shall be 45 years at the time of application.

Duration:

- One month, preferably during the summer vacation period (June 1-30, 2026).

Faculty Interns per Supervisor:

- Each faculty member at IIT Jammu shall supervise only one participating faculty under this program.

Accommodation:

- Hostel accommodation within IIT Jammu will be provided.
- Lodging expenses will be borne by the Institute.

Dining / Mess Charges:

- Participants shall bear their own mess/dining expenses during the program.

Financial Support:

- No stipend or financial assistance shall be provided.
- Participants will bear their travel and personal expenses.

NOC Requirement:

- Applicants must submit a No Objection Certificate (NOC) from their parent institution permitting participation in the program after their selection. The prescribed format shall be made available on the institute website.

How to Apply:

1. **Select Project:** Browse the list of research projects, faculty profiles, expectations, and select the first and second preference based on your interest.
2. **Online Application:** Submit your application through the google form link available here: <https://forms.gle/r5SkHqGcxizjfXQL6> , also available on the IIT Jammu website.

No other application modes will be accepted.

Key Dates:

- Application Deadline: April 9-24, 2026
