4. Treasurer's Report - (Amber for Jess)
 - a. Review/Motion to Approve November/December Report Table voting until March meeting due not enough people. Nov income of spirit nights (\$351), Nov Move a Thon income (\$8,857). Dec expenses for holiday drive thru and holiday class parties. Low teacher reimbursements; Kessler & Myers to remind teachers we offer \$50 reimbursement each year.
5. Teacher's Representative- (Buer/Myers) Thank you for our continued support. Lehman is in need of art show items. There are items students can pick up, do at home and bring back to school. Holiday class party craft was discussed. On our end, all classes were given the same craft, but a different variety. There is some confusion among teachers that will be followed up on between Kessler and Myers.

 - i. Holiday Parties Holiday parties went great despite weather being a factor. Teachers picked what day to host their party; some are saving the goodies for a VDay party. Every student got popcorn and lollipops. Each student also got an ornament craft to make.
 - ii. Looking Ahead: Penny Wars 2/6-2/10/2023 Bins will be placed in the lobby again this year so students can continue to see what grade is winning. We are looking for the large blue water jugs or something similar (DES president offered hers for us to borrow).
 - iii. Looking Ahead: Bus Driver Appreciation Breakfast 2/16/2023 Each van and bus driver will be given a Panera boxed breakfast, similar to last year.

- c. Family Events

 - ii. Looking Ahead: January Family Bingo Night 1/27/2023 (Amber, 2022 Shadow Chair: Alyssa Robertson) Bingo sign up is already out there; we maxed out last year so we encourage people to sign up early. We also have a sign up for food and drink donations. This is a free event we offer to our families.
 - iii. Looking Ahead: February Friday Family Fun Night 2/10/2023 (Amber) We are interested in hosting a family bounce house/game night in the LSE gym. Planning to charge about \$5/kid. We will offer snacks and drinks as well.
 - iv. Looking Ahead: LSE Talent Show 3/31/2023 (Amber, Chair: Melissa Myers) Melissa spoke about beginning to reach out to students in February. We will continue to offer virtual and in person acts. May look to change formatting a bit as it was time consuming to keep putting the video screen up and down.
- 7. Principal's Report - (Dr. Kessler) Kessler thanked everyone for their flexibility for class parties. There was discussion about her working with people from Glenview Alliance Church to offer our students experiences other than sports (knitting, dancing, etc).
