

Result of Think Aloud Evaluation

Expert 3

Home Tutorial Page:

Comment 1: There are not enough tips provided.

Comment 2: I didn't find the FAQ page.

Image & Video Page:

Comment 1: This section lacks details.

In-coming Request Page:

Comment 1: I like this interface, but the accept button should be set to red.

Navigation Page:

Comment 1: A little bit confused in the navigation session.

Unexpected Situation Page:

Comment 1: I didn't see where the user can go back to the home menu during a rescue session.

Thanks Page:

Comment 1: This interface looks very comfortable.

History Event Page:

Comment 1: This interface looks pretty empty. More features should be added.

Event Detail Page:

Comment 1: The information is clear.

Profile Page:

Comment 1: The details of this interface are well handled.

Edit Profile Page:

Comment 1: Should allow the user to delete their account, but I didn't see the button.
