## Equality Policy

**Adopted - January 2025**

**Review date - January 2027**

**St Elizabeth's Catholic Primary School**

**EQUALITY POLICY AND OBJECTIVES**

*'We listen, learn and grow with Jesus'*

**Mission statement**

At St Elizabeth's Catholic Primary School we strive for fullness of life for everyone. Through education and prayer, we listen, learn and grow with Jesus.

**Legal Framework**

St Elizabeths Catholic Primary School acknowledges the duties under the Equality Act to eliminate discrimination, advance equality of opportunity and foster good relations in relation to age (as appropriate), disability, ethnicity, gender, religion and sexual identity.

We welcome its duty under the Education and Inspections Act 2006 to promote community cohesion.

We recognise that these duties are essential for reflecting the international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

In fulfilling the legal obligations mentioned above, we are guided by nine principles:

**1. All learners are of equal value**

We see all learners and potential learners, and their parents and carers, as of equal value:

- Whether or not they are disabled
- Whatever their ethnicity, culture, national origin or national status
- Whatever their gender and gender identity
- Whatever their religious or non-religious affiliation or faith background
- Whatever their sexual identity

**2. We recognise and respect difference**

Treating people equally (as principle 1 above) does not necessarily involve treating them all the same. Our policies, procedures and activities must not discriminate but must nevertheless take account of differences of life-experience, outlook and

background, and in the kinds of barrier and disadvantage which people may face, in relation to:

- Disability, so that reasonable adjustments are made
- Ethnicity, so that different cultural backgrounds and experiences of prejudice are recognised.
- Gender, so that the different needs and experiences of girls and boys, and women and men, are recognised
- Religion, belief or faith background
- Sexual identity

### **3. We foster positive attitudes and relationships, and a shared sense of cohesion and belonging**

Our policies, procedures and activities should promote:

- Positive attitudes towards disabled people, good relations between disabled and non-disabled people, and an absence of harassment of disabled people
- Positive interaction, good relations and dialogue between groups and communities different from each other in terms of ethnicity, culture, religious affiliation, national origin or national status, and an absence of prejudice-related bullying and incidents
- Mutual respect and good relations between boys and girls, and women and men and an absence of sexual and homophobic harassment.

### **4. We observe good equalities practice in staff recruitment, retention and development**

We ensure that policies and procedures should benefit all employees and potential employees, for example in recruitment and promotion, and in continuing professional development:

- Whether or not they are disabled
- Whatever their ethnicity, culture, religious affiliation, national origin or national status
- Whatever their gender and sexual identity, and with full respect for legal rights relating to pregnancy and maternity.

### **5. We aim to reduce and remove inequalities and barriers that already exist**

In addition to avoiding or minimising possible negative impacts of our policies, we take opportunities to maximise positive impacts by reducing and removing inequalities and barriers that may already exist between:

- Disabled and non-disabled people
- People of different ethnic, cultural and religious backgrounds
- Girls and boys, women and men

## **6. We consult and involve widely**

People affected by a policy or activity should be consulted and involved in the design of new policies, and in the review of existing ones. We consult and involve:

- Disabled people as well as non-disabled
- People from a range of ethnic, cultural and religious backgrounds
- Both women and men, and girls and boys

## **7. Society as a whole should benefit**

We intend that our policies and activities should benefit society as a whole, both locally and nationally, by fostering greater social cohesion, and greater participation in public life of:

- Disabled people as well as non-disabled
- People of a wide range of ethnic, cultural and religious backgrounds
- Both women and men, girls and boys

## **8. We base our practices on sound evidence**

We maintain and publish quantitative and qualitative information about our progress towards greater equality in relation to:

- Disability
- Ethnicity, religion and culture
- Gender.

## **9. Objectives**

We formulate and publish specific and measurable objectives, based on the evidence we have collected and published, in relation to:

- Disability
- Ethnicity, religion and culture
- Gender.

We recognise that the actions resulting from a policy statement such as this are what make a difference.

Every year, accordingly, we will draw up objectives within the framework of the overall school improvement plan and processes of self-evaluation, setting out the specific equality objectives we shall pursue. The objectives which we identify take into account national and local priorities and issues, as appropriate.

Equality objectives identified for the next academic year relates to the Attainment gap of our pupils.

We keep our equality objectives under review and report annually on progress towards achieving them.

### **The curriculum**

We review our curriculum in order to ensure that teaching and learning reflect the principles set out above.

- Teaching styles and strategies

- Staff recruitment, retention and professional development

- Prejudices around disability and special educational needs
- Prejudices around racism and those that are directed against travellers, migrants, refugees and people seeking asylum
- Prejudices reflecting sexism and homophobia

We take seriously our obligation to record and report regularly to our governors about the numbers, types and seriousness of prejudice-related incidents in school and how they are dealt with.

### **Roles and responsibilities**

The governing body is responsible for ensuring that St Elizabeth's school complies with legislation, and that this policy and its related procedures and action plans are implemented.

The headteacher is responsible for implementing the policy; for ensuring that all staff are aware of their responsibilities and are given appropriate training and support; and for taking appropriate action in any cases of unlawful discrimination.

All staff are expected to:

- Deal with any prejudice-related incidents that may occur
- Plan and deliver lessons that reflect the principles set out above
- Support pupils in their class for whom English is an additional language

We respect the religious beliefs and practice of all staff, students and parents, and will comply with reasonable requests relating to religious observance and practice.

### **Staff development and training**

We ensure that all staff receive appropriate training and opportunities for professional development, both as individuals and as groups.

### **Monitoring and evaluation**
