

English to Korean Translator

This Privacy Policy outlines the information collection and usage practices of the English to Korean Translator app with respect to your privacy. The App is designed to provide English to Korean translation and utilizes AdMob for advertising purposes. Please read this policy carefully to understand how your personal information may be collected, used, and disclosed by the App.

Information We Collect

The App does not request or collect any personal information or sensitive data from users. We do not require any permissions that could access your device's personal data, contacts, or location.

THIRD-PARTY ADVERTISEMENT

The App includes advertisements provided by AdMob, which is a mobile advertising platform provided by Google. AdMob may collect certain non-personal information, such as your device's advertising identifier and information about your interactions with the ads displayed in the App. This information is used to deliver targeted advertisements to you.

Data Security

We take reasonable steps to protect the information collected by the App. However, please be aware that no data transmission over the Internet or electronic storage method is secure, and we cannot guarantee the absolute security of your information.

Children's Privacy

The English to Korean Translator App is not intended for use by individuals under the age of 13. We do not knowingly collect personal information from children under 13 years of age. If we become aware of any such data being collected, we will take appropriate steps to delete it.

Changes to this Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our practices or for other operational, legal, or regulatory reasons. We will notify you of any material changes to this Privacy Policy through the App or by other means.
