Last Day to sign up for tasks is August 9

Task and Location	Contact	Notes	Supplies Needed	Volunteers	Project complete?
SPRING HOLDOVER: SPED Room windows are broken And need new light bulbs	Monica	Need 4' T8 bulbs (6x)-NG - broken ballasts - lights are at upper el Possible to do this?	Duct tape or metal ducting tape	I will share this with Chris as a building maintenance again	Window crack taped by DC
SPRING HOLDOVER: Unsafe trees		ID trees ahead of time-NG can ID trees			
COMPLETED? Reattach broken trailer skirting around LE building.\		More that needs to be done? We need insulation under the trailer before skirting.-Alfie			
SPRING HOLDOVER: Sand Lower El deck railings			Cordless sander and sandpaper		
Train Car- Cabinet of old computers/technology down to burrow (with stuff in it)					
Skirt around trailers at Lower El					

Hay Bales for LE		This needs to be considered for winterization. I have spoken to Delaney about better insulation-Alfie			
Merrill's remote office at LE (military tent/ outdoor classroom)	Merrill	The Saplings are letting me take over their outdoor classroom. The Greens have purchased a military grade tent. Possible to combine these to make an all weather office?	The tent is at the top of LE driveway		
A tree at the bottom of lower EI is tipping towards the road		That would be a state project not us.-Alfie			
Take down the pop up from graduation and place under the train car					
There is a tree down on the trail heading down to Fort Creek from Lower EI behind the Sapling Shelter					
The yellow rope needs to be put back up at Lower EI					

EVERYTHING BELOW IS COMPLETED					

Thank you Family Committee!
