

PRIVACY POLICY

The Type of Information We May Collect

Ruslana Savchuk may collect different information from or about you depending upon the manner in which you use Games for Cats: Catch a Toy. The following examples are provided to help you better understand the information we may collect through your use of and/or interaction with Games for Cats: Catch a Toy:

Information Received Through Your Third Party Platform Account

When you use Games for Cats: Catch a Toy on or through a Third Party Platform, such as Facebook or other social networking site, (including using a Third Party Platform account to sign into Games for Cats: Catch a Toy), you allow us to access and/or collect certain information from your Third Party Platform profile/account (such as your Facebook account) as permitted by the terms of the agreement and your privacy settings with the Third Party Platform. The information you allow us to access and collect varies depending on the Third Party Platform and your privacy setting thereon.

Information Received Through Your Wireless Device: Push Notifications

If you use Games for Cats: Catch a Toy on or through a Wireless Device, we may, in accordance with the terms of any applicable agreement with the Wireless Device carrier (and as allowed by your privacy settings) collect certain information such as your unique device identifier (a number automatically assigned to your mobile or wireless device), device type, and information you choose to provide or share, such as e-mail address (collectively “Mobile Information”).

We may send push notifications to your mobile device to provide game updates and other relevant messages. You can manage push notifications from the “options” or “settings” page within the mobile application. You also may be able to manage them from your device’s settings page for the mobile application.

We do not ask you for, access or track any precise location based information from your mobile device at any time while downloading or using Games for Cats: Catch a Toy.

Information You Provide To Us Directly

When you use Games for Cats: Catch a Toy we will collect any information you provide to us directly such as the following:

Registration Information: In order to use certain features of Games for Cats: Catch a Toy, you may be required to register for an account, and in that case, we will collect and store any registration information you share with us such as, without limitation, your date of birth, age, e-mail address, password and other information that helps us confirm your access to your account and understand more about who you are (“Registration Information”).

Profile Information: You may also have the option of providing additional information about yourself to create a user profile (“Profile”) that will be publically viewable by others. We will collect the information you share with us in creating your Profile such as your, first and last name, user name, date of birth and gender. You should exercise care and caution in creating your Profile as your Profile, including your Profile Information, will be publically viewable to others and may in some instances be indexed by search engines and viewable outside of Games for Cats: Catch a Toy. Your Profile and/or Profile Information may be used by third parties to make contact with you in unwanted ways, and Ruslana Savchuk is not responsible for information you supply in your Profile and/or the manner in which it is used by others.

Public Posting/Shared Content: Games for Cats: Catch a Toy may allow you to interact with other users and/or post, share, communicate with, or otherwise transmit content publicly, such as by participating in player forums, message boards, news feeds, status updates, posting public comments to users’ profiles, sending messages or invitations to other users, chatting with other users, posting photo, and/or posting comments to a wall (collectively “Shared Content” or “Public Posting”). We may collect and store archives of such Public Postings, and all Public Postings are subject to this Privacy Policy and may be used or disclosed pursuant to the terms of this Policy and the Terms of Service, including but not limited to protecting the safety and well being of members of the public, minors, Games for Cats: Catch a Toy users, our employees.

Payment Information: If you purchase any products or services through Games for Cats: Catch a Toy, we may collect certain information regarding your purchase (such as your name, zip code, purchase) as necessary to process your order, and you will be required to provide certain payment and billing information directly to our payment processing partners, such as but not limited to your name, credit card information, billing address, and zip code. We do not directly access, store or collect your credit card information, and we will not use your payment information we collect except as

needed to fulfill your purchase and/or communicate with you regarding your transaction.

How We Use The Information We Collect

Ruslana Savchuk may use the information we collect through your use of Games for Cats: Catch a Toy for a variety of purposes, primarily related to providing and improving the quality of Games for Cats: Catch a Toy. For example, we may use the information we collect in the following ways:

Providing, administering, and facilitating your use of Games for Cats: Catch a Toy, including the display of customized content and/or targeted advertising; Notifying you of products, new products, services, features, promotions, enhancements, and updates, including in-game updates, loyalty and rewards programs, and updates to the Terms of Use and Privacy Policy; Marketing our products and/or services to you, including sending you offers, promotions information, newsletters, e-mail campaigns, and communications regarding new, improved or existing products, contests and/or sweepstakes; Resolving site problems; handling or responding to customer support questions and issues; Processing or fulfilling your request(s) and/or order(s) for games, products, services, information or features, such as Site Items and Virtual Currency; Enabling user-to-user communication and interaction and soliciting input and feedback to improve user experience; Managing your account preferences, establishing your Profile and Registration Information; Developing new and/or improved games, products, services or offerings; Providing you with news and newsletters; To create, review, analyze and share Aggregate Information; Marketing, processing or fulfillment of Promotions administered or sponsored by Ruslana Savchuk; Resolving disputes; Trouble-shooting errors or issues with Games for Cats: Catch a Toy; Tracking purchases and usage information; Communicating with you concerning your Account; Asking you to participate in surveys about products and services.

If you have provided your e-mail address to Ruslana Savchuk, we'll use it for such things as: responding to customer support inquiries; keeping you informed of your in-game activity, including comments from friends and alliances, notifications about in-game status, in-game events and offers, as well as notifications of gift and requests; updating you on new games, product updates, as well as loyalty and rewards programs; and in accordance with all of manners set forth in this Privacy Policy.

When And How We May Share/Disclose Your Information With Third Parties

We will only share your information (including personal information) with the following third parties or under the following circumstances or as otherwise described in this policy:

Safety, Security, Cooperation With Law Enforcement, & Compliance With Legal Obligations. We may disclose your information to third parties, including your personal information, if we, in our sole discretion, have a good faith belief that disclosure is: permitted or required by law; requested in connection with or relevant to a judicial, governmental or legal inquiry, investigation, order, or proceeding; required or reasonably necessary pursuant to a valid subpoena, warrant or other legally valid inquiry or request; reasonably necessary to enforce our Terms of Service, this Policy, or any other legal agreements; required to detect, prevent, or otherwise address fraud, abuse, misuse, potential violations of law (or rule/regulation), and/or security or technical issues; or required or reasonably necessary to protect against imminent harm to the rights, property or safety of Ruslana Savchuk, our users, employees. We may also disclose information about you to our auditors or legal advisors in conjunction with accessing our disclosure obligations and/or rights under this Policy.

Third Party Service Providers, Contractors or Agents. We may share your information with third party companies that perform services on our behalf, including payment processing, order fulfillment, data analysis, marketing services, e-mail campaigns, hosting services, and customer service. While providing the services for us, these companies may access your personal information, and are required to use it solely as directed by us for the purpose of our requested service.

Promotions. We may share your information in connection with any Promotion you enter on or through Games for Cats: Catch a Toy, as necessary to administer, market, sponsor, administer or fulfill the Promotion or as required by applicable laws, rules or regulations (for example, to provide winners' lists or make required filings as appropriate) or in accordance with the applicable Official Rules of the Promotion/Sweepstakes you enter.

With Your Permission. Additionally, if you opt-in or otherwise agree to have your information shared with a third party for marketing purposes, we will share your information with the third party (or third parties) in which case the third party's use of your information is subject to the third party's own privacy policy.

Advertising of Third Party Products/Services. We may use and share with third party advertisers (and other third parties) certain Technical Information and/or Aggregate Information to show general demographic and preference information among Games

for Cats: Catch a Toy users. We may also allow advertisers to collect Technical Information or Aggregate Information, which they may share with us, through the use of tracking technologies like cookies and web beacons. The information collected may be used to offer you targeted ad-selection and delivery in order to personalize your user experience by increasing the likelihood that advertisements for products and services you see will appeal to you, a practice known as behavioral advertising, and to undertake web analytics (i.e. to analyze traffic and other end user activity to improve your experience).

How Do We Keep Your Information Secure?

Ruslana Savchuk takes commercially reasonable security measures to protect against unauthorized access to, or unauthorized alteration, disclosure or destruction of, sensitive data that you share and we collect and store. These security measures may include practices such as keeping your sensitive data on a secured server behind a firewall, transmitting sensitive information (such as a credit card number) entered on our site or mobile application using secure socket layer technology (SSL), internal reviews of our data collection practices and platforms, as well as physical security measures to guard against unauthorized access to systems where we store your information. Unfortunately, however, no security system can be 100% secured, and we cannot guarantee that communications between you and Ruslana Savchuk, Games for Cats: Catch a Toy, or any information provided to us in connection with the information we collect through Games for Cats: Catch a Toy will be free from unauthorized access by third parties. Unauthorized entry or use, hardware or software failure, and other factors may compromise the security of user information at any time. Your password is an important component of our security system. As such, it is your responsibility to protect it.

How To Access & Update Your Information

You may access and update your information that Ruslana Savchuk collects and maintains in the following ways:

Information We Receive From a Third Party Platform Or Wireless Device

To manage the information Ruslana Savchuk receives about you from a Third Party Platform or Wireless Device, please follow the instructions provided by the Third Party Platform or Wireless Device provider for updating your information and changing your privacy settings. Once Ruslana Savchuk receives your information

from a Third Party Platform or Wireless Device, that information is stored and used by Ruslana Savchuk in accordance with this Privacy Policy.

Information We Receive Directly From You

You may update the information you provide directly to Ruslana Savchuk by logging into your Account and updating your Account information.

Our Policy Concerning Children

Games for Cats: Catch a Toy is not intended for children under the age of 13 and we do not knowingly collect any personal information from such children. Children under the age of 13 should not use or attempt to use Games for Cats: Catch a Toy, and if you are under 13, please do not attempt to use Games for Cats: Catch a Toy or send any information about yourself to Ruslana Savchuk.

Modifications To This Policy

From time to time, we may update this Privacy Statement to clarify our practices or to reflect new or different privacy practices, such as when we add new features, and Ruslana Savchuk reserves the right to modify and/or make changes to this Policy at any time. If we make any material change we will notify you prominent means such as by email notice sent to the email address specified in your account) or by posting a notice on the site. Other modifications will become effective on the day they are posted unless stated otherwise.
