Attendance

In South Carolina, all children are required to attend a public or private school or kindergarten beginning at age five (5) and continuing until their 17th birthday. If a child is not six years of age on or before the first day of September in a particular school year, parents and guardians may choose not to send their children to kindergarten; however, they must sign a waiver which may be obtained at the local school.

In accordance with the South Carolina Compulsory School Attendance law, the School District of Greenville County has adopted uniform rules to ensure that students attend school regularly. Each day that students are not in school, they miss hours of valuable instruction and opportunities for learning that they will not have again. Students are counted present only when they are actually in school, on homebound instruction, or are present at an activity authorized by the school principal. A student is considered in attendance when present for at least three (3) hours of a school day.

All absences beginning with the first shall be approved or disapproved by the board's designee, the building principal. In making this decision, the principal shall be guided by the procedures as presented herein. Decisions regarding approval of absences and eligibility for credit may be appealed in accordance with district policy.

Any student who misses school must present a written excuse, signed by his or her parent or legal guardian or a healthcare professional, for all absences within three (3) days of the student's return to school. The written excuse should include the reason for and the date of absence. If a student fails to bring a valid written excuse to school, his or her absence will be recorded as unlawful. Schools will use the criteria below when deciding whether an absence is lawful or unlawful.

Lawful Absences

- Absences caused by a student's illness and whose attendance in school would endanger his or her health or the health of others. These absences must be verified by a physician statement within three (3) days of the student's return to school.
- Absences due to an illness or death in the student's immediate family verified by a statement from the parent within two (2) days of the student's return to school.
- Absences due to a recognized religious holiday of the student's faith when approved in advance. Such requests must be made to the principal in writing.
- Absences for students whose parents/guardians are experiencing a military deployment. Specifically absences when the parent or legal guardian of a student is an active duty member of the uniformed services and has been called to duty for, is on leave from, or immediately returned from deployment to a combat zone or combat support posting, shall be excused as long as such absences are reasonable in duration as deemed by the principal so that the student can visit with his or her parent or legal guardian relative to such leave or deployment of the parent or legal guardian.
- Absences due to activities that are approved in advance by the principal. This would include absences for extreme hardships. Such approval should be prearranged when possible.

Unlawful Absences

- Absences of a student without the knowledge of his or her parents
- Absences of a student without acceptable cause with the knowledge of his or her parents
- Suspension is not to be counted as an unlawful absence for truancy purposes

Absences

For students in grades K-12, principals shall promptly approve or disapprove any student's absence in excess of ten (10) days, whether those absences are lawful, unlawful, or a combination of the two. A student does not exceed the 10 day absence limit until the student has reached his or her 11th unlawful absence. Furthermore, a student does not exceed the 5 day absence limit for a 90 day course until the student has reached his or her 6th unlawful absence.

Carnegie Credit

The school year consists of 180 school days. To receive credit, high school students or students in middle school taking courses for graduation credit must attend at least 85 days of each 90-day semester course as well as meet all minimum requirements for each course.

In order to receive high school credit after the 10th unlawful absence, “seat time recovery” is required for every subsequent absence that is unlawful. (Note: the 10 unlawful absence limit applies to each 180-day course and should be considered 5 days for each 90-day course and 3 days for each 45 day course.) A student may have up to 10 absences excused by a parent note in each 180-day course and 5 days excused by a parent note in each 90-day course. Parent notes in excess of 10 in a 180-day course, and 5 in a 90-day course, will be considered unexcused unless accompanied by official medical documentation or is otherwise approved by the principal as a lawful absence. A student must attend the majority of a class session during a school day to receive credit for that class.

Truancy

Although the state requires students to only attend 170 of the 180-day school year, parents and students should be aware that SC Code of Regulations-Chapter 43-274 stipulates that a child ages 6 to 17 year is considered truant when the child has three consecutive unlawful absences or a total of five unlawful absences. For purposes of this section (truancy and compulsory attendance), a parent may provide up to 10 parent notes excusing a student’s absence, 5 parent notes in a 90-day course, and 3 parent notes in a 45-day course. However, in order for any subsequent absence related to an illness to be lawful it must be supported by a physician statement/medical note.

Student Arrival & Dismissal

Each school is responsible for overseeing the development of protocols and supervision that are tailored to the age and needs of students at each school facility. The protocols will include:

- Staff assigned to specific locations and related responsibilities;
- The area in which students will be retained awaiting designated transportation;
- Plan for supervision when a parent/escort is unable to pick up their child at the appropriate dismissal time.

Student Behavior Code

The District expects students to conduct themselves in an orderly, courteous, dignified and respectful manner. This requirement refers to their actions toward other students and teachers, their language, their dress and their manners.

Students have a responsibility to know and respect the policies, rules and regulations of the school and District. Violations of such policies, rules and regulations will result in disciplinary actions. The school directs students to the District’s Behavior Code set forth in Policy JCDA and this handbook. Students are prohibited from using electronic devices to capture images, record or otherwise use electronic devices in a manner that harasses, humiliates, threatens, embarrasses, intimidates another person or otherwise violates law. Students may not use electronic devices to access and/or view websites, internet, or other content or images that are inappropriate or otherwise blocked to students at school while on school property or at a school-sponsored event. Students are personally and solely responsible for the care and security of electronic devices.

In accordance with state law and Board Policy/Administrative Rule JCDA, personal electronic devices cannot be used during the school day unless specifically authorized in writing by the school. Students cannot wear personal electronic devices, such as smart watches, during the school day and must keep personal electronic devices out of sight of others unless authorized by the school to utilize for school related purposes. When outside of the classroom, students can use personal electronic devices for instructional reasons or for school-related purposes, such as emailing teachers, conducting research, checking class schedules, or working on assignments. The restrictions pertaining to the use of personal electronic devices starts at 8:45 a.m. and ends at 3:45 p.m. The use of personal electronic devices before and after that time is permitted so long as that use does not violate the District’s Behavior Code (Policy JCDA) or is otherwise disruptive to the school environment. For field trips, students will be provided additional information regarding the use of personal electronic devices based upon the specific trip. Students may be permitted to utilize personal electronic devices during the school day if necessary for that student in accordance with the student’s IEP/504/Health Plan.

The Board and the administration offer the following listing of offenses and the required or recommended dispositions for the information of students, parents/legal guardians and school personnel.

These activities usually require administrative actions which result in the immediate removal of the student from the school, the intervention of law enforcement authorities and/or action by the Board.

Whenever a student is engaging or has engaged in activities including, but not limited to, one of the acts specified below, while on school property or at a school sanctioned or sponsored activity which a principal or his/her designee has reason to believe may result, or has resulted, in injury or serious threat of injury to a person or to his/her property, the principal or his/her designee is required to notify law enforcement officials.

Personal appearance of students should promote health and safety, contribute to a climate conducive to teaching and learning and project a positive image of the District to the community. Students should dress for the educational setting and not the recreational one. The principal may create further guidelines regarding student dress which are consistent with the guidelines below.

In the event the administration determines a student's dress is inappropriate for school in accordance with this policy, will either have clothes available to provide to students who are in violation or will permit the students to have clothes brought to the school to correct the dress code violation. Students will wait in a designated location until that violation of the dress code is remedied. Students who would like to make a request for accommodations to the dress code related to a disability or religious belief should notify the school's administration of that request in advance.

Students shall be subject to the following consequences for violating the dress code.

- 1st Offense: Warning/Parent Contact
- 2nd Offense: Detention
- 3rd Offense: Referral for Additional Consequences

See attached document [here](#) for further information on dress code and discipline consistency.

Transportation Discipline

In order to ensure the safety of all students riding buses in Greenville County Schools, appropriate behavior is required for all students. Transportation to and from school is an extension of the classroom and should be considered part of the school day. The issue of safety requires students to be on their best behavior while on school buses or vehicles. Violations of school bus rules will be addressed in the manner listed below.

The School District Behavior Code (Board Policy JCDA) is in effect for all students at all times when being transported on school buses to and from school or school activities. Discipline of Students with Disabilities

Students with disabilities will be disciplined in accordance with federal and state law including the Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act, as set forth in the procedures developed by the administration.

Anti-Bullying and Safe Schools

The District is committed to fostering an environment that both promotes learning and prevents disruptions to the educational process. In order to create and maintain an atmosphere that promotes learning and prevents disruption, the District has implemented the following procedures to address student concerns, complaints, and grievances in regards to bullying, discrimination, harassment, intimidation or misconduct as provided in Board Policy and Administrative Rule JCDAG. All formal complaints of any allegation of bullying, discrimination or harassment will follow the below process, except for complaints filed on the basis of sex (Title IX), which will follow the procedures contained in that Section II below.

Reporting Bullying, Harassment & Discrimination

Any student who believes that he/she has been subject to harassment, intimidation, bullying or misconduct by other students, employees of the District or third parties in the school setting should immediately inform the school's administration and may also file a formal complaint under Board Policy and Administrative Rule JCDAG.

All complaints should be filed with the principal or his or her designee within sixty days of the date of the alleged incident using the Complaint Form attached to Rule JCDAG. Complaints may also be filed by a student's parent. If the allegation is against the school's administration, the student or parent should file a report directly with the

District's Ombudsman. Anonymous reports may be made, but those reports must provide the District with adequate information in order to begin an investigation.

Additionally, students and parents should immediately report any concerns related to employee interactions with students that are inconsistent with the requirements and expectations contained in Board Policy GBV pertaining to staff and adult interactions with students. Concerns that should be immediately reported to a school's administration include potential mistreatment of students and other conduct by employees that could constitute inappropriate interaction or communication, including those sexual in nature.

Investigation

Complaints will be investigated promptly, thoroughly, and confidentially. The investigation shall include appropriate steps to determine what occurred and to take actions to end the harassment, intimidation, or bullying

and prevent such misconduct from occurring again. A meeting will be scheduled within ten working days of the complaint with the complainant to discuss the complaint. The student and his/her parent(s) shall be informed in writing of the outcome of the investigation but all discipline of students and staff will remain confidential. The written notice will also outline the complainant's right to appeal.

Appeals

An appeal related to disability discrimination or harassment should be made to the District's Section 504 coordinator. An appeal regarding color, race, or national origin discrimination or harassment should be made to the District's Title VI coordinator. The email contact information for the Section 504 Coordinator and Title VI Coordinator is Section504@greenville.k12.sc.us and TitleVI@greenville.k12.sc.us. Both may also be contacted by mail at Post Office Box 2848, Greenville SC 29602 or by phone at 864-355-3100.

The appeal shall state the reasons for which the complainant is appealing the initial decision. The coordinator will examine the evidence presented by all the parties, and may conduct a meeting with both the complainant and the school principal or designee if needed. The coordinator must provide a written decision to the complainant within 10 working days of receiving the complainant's written appeal. The coordinator shall inform the complainant of the right to appeal to the Superintendent or his/her designee. If a coordinator or the Superintendent or his/her designee is alleged to be involved in the complaint, the District will appoint an objective and impartial administrator to address the complainant's appeal at that level.

If a student or parent/guardian is dissatisfied with the action or decision of the Coordinator, they may appeal the decision to the Superintendent or his/her designee within 10 working days of the decision of the Coordinator. The appeal shall be in writing and shall state the reasons for the appeal. The superintendent or designee, in his or her discretion, may choose to have a meeting with the complainant and the coordinator. The Superintendent or designee shall provide a written determination to the complainant and take appropriate action within 10 working days after the receipt of a written appeal.

Title IX Complaints (Sex-Based Discrimination/Harassment)

The District, as required by Title IX of the Education Amendments Act of 1972 and its corresponding regulations ("Title IX"), does not discriminate on the basis of sex in its education program or activities. Title IX prohibits sex-based harassment, which may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex even if those acts do not involve conduct of a sexual nature. The District prohibits discrimination and harassment on the basis of sex in all of its programs and activities by its employees, students or third parties.

Reporting

Any student (or parent/guardian of a student) who believes they have been the subject of sex-based harassment or discrimination should contact the school's administration immediately. A formal complaint may be filed in accordance with Administrative Rule JCDA. Even if a formal complaint is not filed related to a Title IX concern, the District must still conduct a thorough review into the concern and implement appropriate supportive measures and disciplinary consequences and provide a written summary to the student/parents related to its efforts and actions.

Investigation

A school's Assistant Principal or other appointed school administrator (investigator) will initiate an investigation of any formal complaint of alleged sex discrimination, sexual harassment, sexual violence, or inappropriate conduct of a sexual nature reported to them in consultation with the District's Title IX Coordinator following the detailed process outlined in Administrative Rule JCDA. The school's Principal will then separately review the findings of that investigation and render a determination as the decision-maker. If an allegation is made against a

non-student, including an employee, the District Employee Relations Representative will serve as the investigator and a director in the District's Human Resources Department will serve as the decision-maker. A parent or legal guardian or Title IX Coordinator may also file a complaint on behalf of the student. If, for any reason, the student prefers not to share the complaint with the Assistant Principal, he or she may submit a complaint with the Principal.

The District prohibits retaliation or reprisal in any form against a student or employee who has filed a report. The District also prohibits any person from falsely accusing another person.

Additional information pertaining to Title IX, including contact information for the District's Title IX Coordinator, training received by District employees, and the process for appeals can be found at

Homework

When homework is given, assignments shall reflect the following guidelines:

Homework shall include one or more of the three generally recognized types of homework:

Practice: reinforces newly acquired skills taught in class

Preparation: helps students prepare for upcoming lessons, activities, or tests

Extension: provides challenging, often long-term opportunities for enrichment that parallel class work

Homework shall be carefully planned and explained to the students. Content and duration of homework shall be personalized to accommodate the age, grade, ability, and readiness of the students. Homework shall be assigned with awareness of the home resources available to the student and the family and alternative options offered, where necessary. Since involvement in extracurricular activities is encouraged and valued, homework assignments that are lengthy shall be scheduled as far in advance as possible.

Because homework at the high school level varies according to a student's course load and schedule, high school students should spend sufficient time on homework to master the content of the subject matter. Completed homework assignments are to be reviewed by the teacher or designee; appropriate instructional follow-up shall occur.

If homework is graded, the homework shall count no more than 10% of the overall quarterly grade at the middle school and high school levels.

Because they require a greater amount of time and effort than daily assignments, grades for long-range assignments shall not count as part of the homework percentage, but should be considered in the time allocated for homework.

Parents and students shall be informed at the beginning of the school year and at the beginning of second semester, if appropriate, of the district homework policies and classroom homework expectations.

Students are encouraged to spend some time each day reading a variety of materials independently.

Uniform Grading Scale

The Uniform Grading Policy approved by the State Board of Education is effective for all students enrolled in unit-bearing classes, including those offered at the middle school level.

The SC Grading Scale is as follows:

A= 90-100; B= 80-89, C= 70-79, D= 60-69, F= 0-59

WF= 50, FA=50, P= no value, WP= no value, AU= no value, NP=no value

Link to: [SC Uniform Grading Scale](#)

2nd-12th Grade

The following grade scale will be applied to students in grades 2-12.

A=100-90 B=89-80 C=79-70 D=69-60 F=59-50

For Carnegie Unit courses please refer to the state Uniform Grading Policy (UGP) for quality points and state regulations guiding credit-bearing courses.

Grading Floors

High School Students (Grades 9-12)

A floor of 50 will be applied to quarter report cards for High School Students (9-12). The floor will not be applied to Interim Progress reports.

Seat Time Recovery

Students who don't qualify for credit because they have exceeded the allowed number of absences may participate in Seat Time Recovery.

In order to receive one Carnegie unit of credit, a student must be in attendance at least 120 hours, per unit, regardless of the number of days missed, or must demonstrate proficiency as determined by the District. This exception to the 120-hour requirement is to be administered by the District on a case-by-case basis and only for students who have excessive absences that have been approved. General requests for proficiency-based credit must be made through the process described in Regulation 43-234. Students whose absences are approved should be allowed to make up any work missed in order to satisfy the 120-hour requirement.

In order to receive high school credit after the 10th unlawful absence, "seat time recovery" is required for every subsequent absence that is unlawful. (Note: the 10 day absence limit applies to each 180-day course and should be considered 5 days for each 90-day course and 3 days for a 45 day course.). A student must attend the majority of a class session during a school day to receive credit for that class.

Content and Credit Recovery

Credit recovery is defined as a course-specific, skill-based learning opportunity for students who have previously failed to master content or skills required to receive credit. Content recovery is defined as a course-specific, skill-based learning opportunity for students who are still enrolled in the course with the original teacher of record assigned by the school.

Content recovery allows students to retake a subset of the course including a single unit, more than one unit, or supplemental assignments/activities assigned and approved by a certified teacher as needed for student mastery of course content. Greenville County Schools provides content and credit recovery opportunities that adhere to GCS Board Policy that includes rules, regulations, and processes. [Board Policy IHC](#)

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) is a federal law that affords parents (including legal guardians) and students over 18 years of age (eligible students) certain rights with respect to students' education records. "Student education records" include any records maintained by a school or the district that are directly related to the student. These rights are:

- The right to inspect and review a student's education records within 45 days of the day the school receives a request for access. Parents or eligible students should write a letter to the school principal and identify the record(s) they wish to inspect. The principal will make arrangements for access to those records and will notify the parent or eligible student of the time and place where they may inspect them.
- The right to request an amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students may ask the school to amend an education record that they believe is inaccurate or misleading by writing the school principal. In that letter, they should not only clearly identify the part of the record they want changed, but also specify why they believe it is inaccurate or misleading. They should also provide any evidence to support their claim. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a district-level hearing regarding the request for amendment. The school will provide additional information regarding the district's hearing procedures when they notify the parent or eligible student of the decision. After the hearing, if the district still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his/her view about the contested information.

- The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. FERPA allows the district to disclose education records to school officials with a legitimate educational interest in the information contained in the record without consent from the parent or eligible student. A school official is a person employed by the district as an administrator, supervisor, instructor, or support staff member (including health and law enforcement staff); a person serving on the School Board; and a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor or therapist). A school official has a legitimate educational interest if that official needs to review an education record in order to fulfill his or her professional responsibility. Upon request and without consent, the district forwards and discloses education records to officials of another school district in which a student seeks/intends to enroll, specified officials for audit or evaluation purposes, appropriate parties in connection with financial aid, organizations conducting certain studies for the school, accrediting organizations, to comply with a judicial order or lawfully issued subpoena, to appropriate offices in cases of health and safety emergencies, and to state and local authorities within a juvenile system.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the district to comply with the requirements of FERPA.

The name and address of the federal agency that administers FERPA is as follows:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5920

*An eligible student is defined as a student who reaches 18 years of age or attends a post-secondary school.

Directory Information

Information that the District has designated as "directory information" regarding a student may be released to outside organizations without prior written consent from the parent/eligible student. The District defines directory information as a student's name, address, telephone number, photograph, grade level, school to which he/she is assigned, years of attendance at that school, awards received, participation in officially recognized activities and sports, and weight and height of athletic team members. Outside organizations requesting directory information include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, the No Child Left Behind Act requires that local high schools must provide military recruiters, upon request, access to secondary school students' names, addresses, and telephone listings. If you do not wish for the District to disclose directory information from your child's education records without your prior written consent, you must notify the School in writing no later than 30 calendar days after the first day of school.

Student Speakers at School-Sponsored Activities

The School District of Greenville County is committed to maintaining an educational environment in which students of all backgrounds, beliefs and religions are welcome and treated with equal dignity and respect. The District will neither advance nor inhibit religion. In accord with the United States Constitution, the District protects private expression, including religious expression, by individual students as long as that expression does not create a disruption to or interfere with the educational environment.

Student speakers at school-sponsored activities, including graduations, may not be selected on a basis that either favors or disfavors religious speech. Where student speakers are selected on the basis of genuinely neutral, evenhanded criteria and retain primary control over the content of their expression, that expression is not attributable to the school and therefore may not be restricted because of its religious or secular content. In contrast, where school officials determine or substantially control the content of what is expressed, such speech is attributable to the school and may not include prayer or religious content. A school, however, may prevent or remove a speaker if the content of their speech is obscene, contrary to the District's behavior code or substantially disruptive to the school environment.

School Insurance

Student accident insurance is offered as a service to parents. The available insurance coverage includes school-only or 24-hour coverage. Coverage, cost, and enrollment information is provided on the District's website at <https://www.greenville.k12.sc.us/Parents/main.asp?titleid=faqinsurance>. Voluntary student accident insurance is different from athletic insurance, which is required.

Parent's Right to Know

As the parent or guardian of a student enrolled in Greenville County Schools, you have the right to know the professional qualifications of the classroom teachers and instructional assistants who instruct your child. Federal law allows you to ask for the following information about your child's classroom teachers and requires the District to give you this information in a timely manner:

- whether a teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- whether a teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
- the baccalaureate degree major of a teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree;

If you would like to receive this information, please call the Human Resources Department.

Student Use of Technology

Students must use school technology in an appropriate manner and in accordance with Board Policy and Administrative Rule EFE. This school technology includes District email, network, equipment, and assigned devices to students, and the District in accordance with applicable law may monitor all school technology. Students will be disciplined in accordance with the District's Behavior Code (JCDA) for any misuse of school technology. While the District implements filters and safeguards for school technology, the District cannot guarantee that these measures will detect or prevent inappropriate use of technology by students. Parents

and students should immediately contact the student's school with any concerns pertaining to the use of technology.

GREER HIGH ACADEMIC PROGRAM

The curriculum philosophy of Greer High School is based on the belief that all students have access to a wide range of courses in all departments. Students are encouraged to explore many avenues of personal, career, and academic interests. Greer High School strives to offer a variety of elective courses that foster growth in academic studies, personal growth, life skills, fine arts, physical fitness and other areas.

Graduation Requirements

The following outlines the minimum requirements for graduation as determined by the State Department of Education and the South Carolina legislature:

English-4 units, Math-4 units, Science-3 units, US History-1 unit, Economics-1/2 unit, Government-1/2 unit, Social Studies-1 unit, PE-1 unit, Computer Science-1 unit, Foreign Language or Career and Tech Ed Course-1 unit, Personal Finance-1/2 unit, Electives-6.5 units

TOTAL = 24 units

Credits Needed for Grade Promotion

6 Units needed to promote to 10th-**Must** include 1 English, 1 Math

12 Units needed to promote to 11th-**Must** include 2 English, 2 Math, 1 Science and 1 Social Studies

18 Units needed to promote to 12th grade-**Must** include 3 English, 3 Math, 2 Science, 2 Social Studies

High Academic Honor Requirements-Valedictorian, Salutatorian, Graduate Cum Laude

For the purpose of naming a valedictorian and salutatorian, all schools use the PowerSchool SIS for calculating grade point average and rank-in-class. Students are officially recognized as the confirmed valedictorian or salutatorian when both the school district and principal make the announcement on a date established by the district during the spring semester.

All high school unit credit courses, except pass-fail courses, shall be included in the class rank. This includes any high school credit courses that a student earned while attending middle school. The Uniform Grading Scale and the system for determining grade point average and class rank will apply to all courses carrying Carnegie units. A student's official grade point average and class rank shall be determined at the end of the sixth, seventh, and eighth semesters for each class. The seventh semester rank will be used to determine valedictorian or salutatorian; class rank may be recalculated at the end of the eighth semester for determining potential scholarship recipients.

Quality points will be assigned to the final grade given at the end of a course according to the Uniform Grading Scale. According to the South Carolina Uniform Grading Scale, all courses will utilize a 5.00 quality point scale except Honors and AP/IB courses. Honors will use a 5.50 quality point scale and AP/IB will use a 6.00 quality point scale. A copy of the Uniform Grading Scale can be found on the Greer High School website.

In the case of a tie between students regarding grade point averages, the two students would be named co-valedictorian or co-salutatorian.

Graduate Cum Laude designation is given to the top 10 ranked seniors at the seventh semester rank

GREER HIGH ATTENDANCE PROCEDURES

Excellent School Attendance is key to your success!

Prearranged Absences

When parents/students know they are going to be out of school because of family commitments, administrators will work with families who plan ahead and wish to get assignments so that they will not miss class work. Five days before the absence the student should have their parent/guardian write a note explaining the reason for being out of school, the date of absence, home and work telephone numbers for us to verify the information, and parent signature. It is the student's responsibility to make arrangements for make-up work with teachers, who may require the work missed to be made up either before or after the absence.

College Days Prearranged

Juniors may request up to two college visit days and seniors may request up to three college visit days. Each visit must be to a different institution. In order for a college day to count as a field trip, you must bring a note from your parents at least five days before the college visit and follow the procedure outlined under prearranged absence. The college visit form can be obtained from the attendance clerk in the attendance office.

Early Dismissals

Bring a written request from your parents giving the reason, time to leave, and parents' work, home, and cell phone numbers to the attendance office before 8:45 AM. Waiting in line to turn in an Early Dismissal slip will not excuse a tardy if the 8:45 AM bell rings. **All early dismissals should occur before 3:00pm. Once the early dismissal has been confirmed, you will need to pick up your yellow slip and check out with the front office clerk before leaving school grounds. All early dismissals must exit from the front office.**

Early dismissals from the Health room are handled as any early dismissal, except that you must return slips to the attendance office. Health room dismissals are considered parent notes, not doctor's notes, and are not excused until the paperwork is turned in to the attendance office.

Returning from an Absence

It is the student's responsibility to present a parent or doctor's note explaining the absence to the attendance clerk and to secure an admission slip. The attendance clerk or administrator will decide if the absence counts as excused or unexcused and will indicate this on your admission slip.

Tardy to Class

Students will have five minutes between classes to help them manage the hallways, go to lockers, visit restrooms and move from one end of campus to the other. Uninterrupted time on task is vital to the educational process and is one of the major goals at Greer High School. Students coming into class late disrupt that process. Greer High School expects students to be in class on time.

- First Tardy – Warning
- Second Tardy – Warning
- Third Tardy – Final Warning, Parent Contact
- Fourth Tardy – Referral, Administrator Assigned Detention
- Fifth Tardy – Referral, Administrator Assigned Detention
- Sixth Tardy – Referral, Administrator Assigned ISS
- Seventh Tardy - Referral, Administrator Assigned ISS
- Eighth and Subsequent Tardies – Referral, Administrator Assigned ISS Multiple Days or OSS

Eligibility for Homecoming and Prom Activities

To be eligible for homecoming festivities (homecoming court and homecoming dance), students may not have more than 5 unexcused absences prior to homecoming week. To be eligible for the Junior and Senior Prom, students may not have more than 5 unexcused absences or any remaining FA grades (Failure Due to Attendance) from the first semester.

Textbooks

- **The majority of student textbooks are accessed online.** If a hardcopy textbook is needed, one will be provided or made available to the student.
- Upon checking out textbooks, students have established an account in which they are indebted for the cost of each textbook until the textbooks are checked in at the end of each semester. Lost & damaged textbooks will be assessed per the replacement cost.
- The barcode on the back cover of each textbook is specifically assigned to the student account. **DO NOT REMOVE THE BARCODE!** Textbooks without barcodes cannot be credited to student accounts. Don't leave textbooks unattended! Teachers cannot store textbooks and they cannot be responsible for student issued textbooks.
- Students are expected to return books promptly after each class ends or is changed at the end of the quarter or semester.

Lockers

Students will be issued a locker upon request. Requests must be made to Mr. Phillips, the administrator in charge of lockers.

Students have the responsibility to maintain locks and lockers according to the following:

1. Students will be responsible for any damage to his/her assigned locker.
2. Damaged, lost or stolen locks will be replaced at a cost of \$5.00 to the student
3. Students are not to mark inside the locker nor place any stickers or decals inside or outside the locker.
4. Drinks, candy, or any food should not be left in lockers overnight.
5. Lockers are for textbooks, coats and school materials only.

The cost of lunch: FREE to students

Lunch Shifts

Classes will be in session during all three lunch shifts. It is important that these classes are not disturbed. Consequently, the only area where students may enjoy their lunch period is in the commons. All areas behind the gymnasiums, lower campus, front campus, parking lots, classrooms, are ALWAYS off limits. Please be considerate of the custodial staff and use proper receptacles to dispose of trash and food items.

Vending Machines and PSTA School Store

We provide vending machines for the benefit of our students before school, during lunch, and after school. You, the students, have the responsibility to follow all guidelines for food and drinks in the building (see above) and to throw all trash in garbage

cans. PSTA School Store and vending machines are off limits during a class period. Physical abuse or misuse of vending machines may lead to disciplinary actions.

In addition, the PSTA sells snacks during all three lunch shifts. Students can purchase snacks during the lunch shift, however sales end when the bell to end the lunch shift rings. Snacks should not be purchased to take into hallways and classrooms. Students should not jeopardize being tardy to class trying to purchase snacks at the end of the lunch shift.

Health Room

Student Emergency Forms will be given to all students during the first week of school. Please have parents complete and sign, and return to school. It is very important that this information is on file in the Health room in case of an emergency. Students must have a pass from their teacher in order to visit the health room. (Exception: emergencies or during lunch)

Medication Guidelines:

- All medication must be kept in the health room. (Any exception needs written authorization from the school nurse.)
- All medications (prescription and over-the-counter) brought to school must have written parent permission on file in the health room. All prescription medications and any medication that a student self-administers must also have written physician permission on file in the health room. Permission forms can be obtained from the school nurse
- All medication must be provided in the original container.
- Prescription medication must be delivered to the school by a parent/legal guardian.

Seat Time Recovery

Students that are in danger of failing a class due to missing too many days of school may sign up for Seat Time Recovery. Seat Time Recovery is an opportunity for students to reclaim that credit. The objective of Seat Time Recovery is to allow students who are currently passing a course or just below passing and have more than the maximum number of absences the opportunity to recover class hours by attending STR. Seat Time Recovery will enable participants to make up the hours required to receive credit for a course. There is a fee for Seat Time Recovery. Payment for STR must be made IN ADVANCE to the Graduation Interventionist. Students will receive 1 period of seat time credit for each session attended. The cost is \$5 for each hour. There will be no refunds or partial payments.

GREER HIGH STUDENT ACTIVITIES

Eligibility

Student participation in extracurricular activities is a privilege (not a right) that a student earns through proper conduct and academic achievement. A student may be denied the privilege of participating in an extracurricular activity and/or an event when the student's conduct is not consistent with District Policy; the District's Behavior Code and/or academic standards; the conduct expectations and/or academic standards of Greer High School; and/or the conduct expectations and/or academic standards of the particular activity. Extracurricular activities include, but are not limited to, athletic teams, academic clubs/teams, prom, graduation exercises, and attendance at any school function outside of the normal school day. In order to participate in extracurricular activities, students must be academically eligible.

Clubs and Student Member Organizations

The meeting times for established clubs are before or after school. Membership criteria is specific to each club or organization. Please contact the club sponsor or advisor if you have questions regarding joining or the membership selection process. Students that desire to start a new club or organization must have a school staff advisor and complete an application with administration.

Student Council

Student council and student government is an organization composed of elected and selected volunteer students who, under the guidance of school advisors, work to represent the student body and contribute to the school community. Students are required to have at least a 2.0 GPA (higher requirement for some elected, see by-laws) or higher. Additionally, they may not have any major disciplinary infraction.

Mu Alpha Theta is the Math Honor Society at Greer High School. Students invited to attend must have completed PreCalculus and be currently enrolled in a higher level math class (AP/IB). Students are required to have a B or above in all math classes. They must also have a 3.5 GPA in their math classes as well. Students are invited to join and pay dues to the national organization once at induction. Community service hours are required.

National Honor Society is one of the highest honors that can be awarded to a high school student. The NHS has worked hard to bring the accomplishments of outstanding students to the attention of parents, teachers, peers, and community. Chapters across the nation strive to give practical meaning to the Society's goals of scholarship, leadership, service, and character. These four ideals have been considered as the basis for selection into the Greer High Chapter. No student is inducted simply because of a high academic average. The National Honor Society strives to recognize the total student: one who excels in all of these areas. Standards used for selection are: Scholarship—4.3 cumulative GPA, Leadership, Service, and Character

Beta Club is a service-oriented club that requires its members to maintain a 3.5 GPA, donate time to charitable causes, and represent Greer High School with high moral character and integrity. It is considered an honor to be a member of this prestigious organization and carries high recognition among all major colleges and universities. Members of Beta club are required to donate a minimum of 30 hours each year. To become a member of Beta Club, an initial fee of \$20 must be paid. Failure to obtain the required number of service hours each year or to maintain a 3.5 GPA may result in removal from the club.

National Spanish Honor Society is an academic club where eligible students for induction are selected by the advisors based on being enrolled or have completed three levels of Spanish, maintaining a B average in all of their Spanish classes, and having good morals/behavior based on teacher feedback. Members must complete service hours and pay membership dues.

Leo Club is a volunteer-based community service club. All students of Greer High are welcome to join and participate in the service projects.

National Technical Honor Society is an academic club where eligible students for induction are selected by Career and Technology Education advisors based on being enrolled or having completed three CTE courses, maintaining a B average or above, as well as demonstrating good character and behavior based on teacher recommendations. Members must complete service hours and pay membership dues.

GREER HIGH ATHLETICS

There is an excellent tradition of both academics and extracurricular activities at Greer High School. The extra-curricular program is an integral part of the total educational experience. The intent of the program is to enrich a student's life while preparing him/her for future endeavors. Students must be enrolled in a minimum of two courses each semester to maintain SCHSL eligibility.

The South Carolina High School League sponsors the Scholar Athlete Recognition Program. The purpose of this program is to identify students in member schools who will qualify as outstanding athletes and at the same time maintain a high academic standard. The athletic director of the member school will submit those who qualify each year.

All nominees must meet the following standards:

- Be a senior
- Must have lettered in two sports for at least one season or in one sport for at least two seasons
- Must have maintained at least a 3.5 GPA for seven semesters
- Must have exhibited outstanding citizenship and sportsmanship
- Non-Competitive Cheerleaders do not qualify
- It is recommended that the student letter as a Senior

High School Athletic Insurance

All participants of high school athletic programs are required to purchase athletic insurance through the school. Students will not be allowed to either practice or become a member of the team without this coverage. Because this policy is mandatory it covers only injuries received during practice for or participating in a high school sport. Athletic Insurance is provided by BB&T.

This required policy should not be confused with the school time/24-hour plan that is optional and covers all school time injuries including all athletic injuries except football. Again, the athletic insurance is mandatory while the school time/24 hour plan is optional.

GREER HIGH

IMPORTANT POLICIES AND PROCEDURES

All students have the responsibility to:

- **Attend school to receive an education.**
- **Attend school daily.**
- **Be on time for all classes.**
- **Come to class with necessary materials.**
- **Complete all in-class and homework assignments and meet deadlines.** The full responsibility for student learning does not rest solely with the teacher. Education cannot be effective unless students participate in class and complete outside assignments.
- **Obey school rules and school personnel.** No one has the right to interfere with the education of others. Rules are designed to allow a school to meet its obligation to educate students. Students are required to obey and be courteous to everyone who works in our schools.
- **Cooperate with school staff.** Every community depends upon its citizens to uphold the rules by which everyone has agreed to live. Students have the responsibility to provide truthful information when asked by school authorities.
- **Respect the person and property of others.**
- **Respect public property.**
- **See that school correspondence to parents reaches home.** Education is a partnership between home and school. Students must do their part by not intercepting or destroying progress reports, attendance information and report cards, and by delivering home any school correspondence.

Cell Phone and Electronic Device Policy

In an effort to maximize academic instruction, limit electronic device distractions, and to provide more consistency and clarity for parents and students, we are providing our updated Cell Phone and Electronic Devices expectations.

Hallpasses will be limited to 2 passes per student per day.

Student Accountability

All students must be accountable to the assigned location on their schedule throughout the school day. Students that are scheduled for a teacher's aide class must report to the classroom assigned. Students that have been approved to have late arrival or early departure, must leave campus during that time. Students are not permitted to report to or remain in any area on campus, including common areas, teacher classrooms, or other spaces not listed on their schedule, unless they have received written permission from an administrator.
