

Introduce your choice of people or topic, choose two that you can make digitally and two things that you have to physically make to present on our class wall.

1. Where they originated from, a map showing their location or area.
2. Explain some of the jobs that the people had during the time and how the job might have related to their last name
3. Draw/make some models of the clothes that they used to wear.
4. Create a mini-working model of a weapon, explaining in detail how it works
5. Make a diorama depicting everyday life in your choice of time
6. Make a poster describing the transport they used
7. Make a miniature collection of hand-fighting weapons and present them on a board with labels to identify.
8. Describe the money system and how that worked.
9. What did they make their clothes with and how did they make them
10. How building materials were made and who transported them
