

Annual Registration Now Open

The annual student registration is now open for the 2025-2026 school year.

You must log in to your Infinite Campus Parent Portal to complete your Annual Registration, which you will access through a computer, tablet, or cell phone.

*Please note that Infinite Campus will be inactive from July 30 - August 1 due to Infinite Campus updates outside of our control. We are opening registration prior to this to allow families with football athletes time to register prior to the start of the season.

To complete registration:

Go to the LUHS website (luhs.k12.wi.us) and click on the Registration tab.

There is a \$25.00 registration fee that can be paid online through Infinite Campus, over the phone by credit card or mail in payment to: LUHS 9573 State Hwy 70 W, Minocqua, WI 54548. After Online Registration has been submitted through Infinite Campus and the fee is paid, student schedules will be immediately available through the Parent Portal. A completion verification email will also be sent to you as proof of registration.

School Counselors have worked through schedule conflicts prior to schedules being sent out to students and families. The only schedule changes that can be made after students receive their schedule should be based on the criteria in the student handbook.

Please fill out the Schedule Change Request Form if your schedule changes meet the criteria in the student handbook. (This Google form can be found with other registration links on the LUHS website under Registration.)

Families new to the district were sent Infinite Campus activation instructions via email. If you do not have an email on file, the information was sent out in the mail. If you did not receive either, please contact Ms. Weldon at weldon@lakeland-union.org.

If you need registration assistance, you may stop in the high school office between 7:00 a.m. and 2:00 p.m. on August 14 and 21.

If you do not have an electronic device, Chromebooks/computers will be available for use in the high school office on the 14th and 21st and the Lac du Flambeau Education Offices during their regular business hours 8:00 am-4:30 pm M-F.

In order for your student to receive their school issued Chromebook, registration must be submitted by Thursday, August 28, 2025.

New Student Orientation and First Day of School

New student orientation for Freshmen and transfer students is Friday, August 29.

All returning students begin on Tuesday, September 2.
