

Greetings from team Fortis.

At the outset we thank you for the excellent arrangements done for the celebration of "WORLD HEART DAY" at GNIMS, yesterday. The hospitality par excellent. You are a real event manager in all aspects right from the participants to the stage decor and the props arranged for the live demo. I really appreciate your commitment and dedication. The right participants at the right time got hands on experience exposure yesterday from the masters of the subject BLS/CPR - Team Fortis. I am sure GNIMS is producing the right managers in the making for the future of the country.

I appreciate the presence of Dr. Satwinder Singh Bedi, Director SGPC's GNIMS and Dr. Jasbir Kaur, Director SGPC's GNIMS for their gracious presence throughout the 3 hours program. The venue was very conducive for learning the life saving techniques. Participation from the volunteers added more power to team fortis. Your request of conducting this session every year 29th September at GNIMS is locked from our end and it's a pride and honor for team Fortis that the future GNIMS business school students shall be qualified on this subject contributing in the making of 'VIKSIT BHARAT' 2047. We can also conduct this session just before the convocation as well. Let's have an MOU done mutually war forward as discussed with Bedi Sir and Jasbir Madam.

Glimpses of the event

Please do convey out special thanks to Dr. Satwinder Singh Bedi, Director SGPC's GNIMS and Dr. Jasbir Kaur, Director SGPC's GNIMS for all the honors for team Fortis.

Dear Manju/Jaseem thanks for all the efforts put in the making of the above event a memorable one, on the very auspicious day "WORLD HEART DAY".
