**Parking Lot**

Morning drop off has been a concern. A paraprofessional has been moved inside the school to help monitor students dropped off early. Mrs. Mower has been going outside on crosswalk duty in the morning. It was suggested to make a video showing the procedure for the morning drop off. Katie, Carlie, and Jordan are willing to help with this.

**Reunification Drill**

We have been selected from the district to practice a reunification drill. We will follow the SRP model from the I Love You Guys Foundation. The drill will take place in May.

**PTA Report**

Teacher/Staff Appreciation will be the last week in April. Jordan has a committee that will be helping her with this.

Carlie reported on the PTA Art Night. It will be Wednesday, March 22nd from 5:30-7:30 at the Fairview Dance Hall. All student art is available for purchase \$2 each. Refreshments will be available to purchase also.
