# MindPeace® Summer Camps 2026

---

## ☀️ Looking for Summer Camp Options? ☀️

Our district partner, MindPeace, has created a comprehensive Summer Camp Resource Guide to help families plan an engaging and meaningful summer!

Summer camps offer children opportunities to build friendships, grow their confidence, explore new interests, and develop teamwork skills. These experiences also help strengthen important life skills like problem-solving, goal setting, leadership, and social skills.

The MindPeace guide features a wide variety of camps open to all children, including youth with mental health needs. It also highlights specialized options such as camps for children with autism, equine therapy programs, and camps focused on music, sports, and swimming.

We hope this resource helps you find the perfect summer experience for your child!

The Oak Hills Alumni Association is built on a proud tradition of connection, service, and Highlander pride. I am writing to personally invite you to support an event that plays a vital role in sustaining that tradition—the Oak Hills Athletic Boosters Main Event.

The Oak Hills Athletic Boosters are essential partners to our district's athletic programs. Their support directly impacts our ability to provide quality equipment, facility improvements, training resources, and meaningful experiences for our student-athletes. Many of the opportunities our players enjoy—both in and out of competition—would not be possible without the generosity of the Boosters and those who support them.

This year's Main Event will be held at Oak Hills High School and will feature Bearcat Legends from the University of Cincinnati basketball program. While the evening celebrates athletics as a whole, it also highlights the importance of fellowship, shared experiences, and investing in the next generation of Highlanders.

For our alumni, this event is an opportunity to give to a program that supports our student-athletes every day.
