Services, Add-ons, and Hours

Capturing souls and memories through photographs.

I specialize in pet photography but also offer individual portraits, family portraits, engagement photos, pregnancy announcement photos, and senior graduation photos. Please email me at [Natures Lens](#) or send a message (I will not be available for phone calls but text/email is fine!) to (208) 881-6669 to get booked! Look at my Facebook ([Natures Lens](#)) and Instagram ([natureslens.photography](#)) to see my work! You can also message me on either platform. I have been doing photography since March 2021 and it is one of my favorite hobbies. I love being able to freeze people's favorite moments in time and capture who they are as a person (and/or their story) one click at a time.

Add-ons

Travel Fee	Varies	Outside of service area
Adding Pet(s)	\$5 per pet	Applies to all services
Security Deposit	Varies	Nonrefundable

Travel Fee: The travel fee ensures the photographer is covered going to the location and back if outside of their set service area (Idaho Falls & Ammon area). The price depends on the location.

Additional Pet(s): Here at Natures Lens we love pets (especially dogs and cats) but it can take a lot of extra work to have them in sessions. We do ask that all animals come clean, groomed, and free of diseases and bugs. This is because we do have pets at home that we want to protect!

Security Deposit: The Security Deposit is a nonrefundable retainer that holds your spot as well as covers the photographer if you no-show or cancel. This also goes toward the total of your session price. You have the option to cancel (48 hours prior to session) and reschedule but if you choose not to reschedule, you will not be refunded. If the photographer cancels, you will be refunded.

Cancellation Policy: The earliest you can cancel is 48 hours prior to your session but you will not be refunded the security deposit. You can reschedule but if you choose to not, you will not be refunded. However, if the photographer cancels then you will be refunded.

NOTE: Prices, deals, and hours are subjected to change especially depending on the season. I will post about it on my social media platforms but if you have a scheduled shoot during the time my prices & such change we of course will honor the original price discussed upon our consultation.

Thank You!
