Subject: Join Me in Supporting Peninsula Bridge

Dear _____,

[Personalize introduction as appropriate].

I hope you'll join me in supporting an incredible organization that is doing important and impactful work. Peninsula Bridge serves more than 900 students each year – all from low-income backgrounds – on a 13 year path from 4th grade through college graduation. Its program provides academic enrichment; 1:1 support and counseling, college access advising, college persistence and career readiness support to empower students with the skills and opportunities they need to succeed in school, career and life. Peninsula Bridge opens doors and prepares its students to walk through them with confidence, equipped for success.

Peninsula Bridge is metrics driven, its model is proven, and its outcomes are narrative-shattering:

- 100% of Peninsula Bridge students graduate high school admissible to UC/CSU compared to 30% of low-income students in California;
- 100% of Peninsula Bridge students are admitted to 4 year colleges and universities;
- 94% of Peninsula Bridge students are on track to graduate college in 4-6 years compared to 11% of low-income students nationally; and
- Peninsula Bridge graduates are employed post-college at leading companies including Arcus Biosciences, Betream Capital, FICO, Stanford University, Sutro Biopharma.

An investment in Peninsula Bridge will have an immediate and life-changing impact. I hope you'll join me in making a gift today.

With appreciation,
