## Objectives of Cooloola Coastcare targeted:

|  |               |
|--|---------------|
| 2:1. value, protect and enhance the natural environment, particularly coastal and marine areas;  | Please select |
| 2:2. draw the attention of the local community to the need to use ecologically sustainable land use and conservation practices;  | Please select |
| 2:3. To engender in local communities, including local industries, a sense of stewardship for coastal and marine areas;  | Please select |
| 2:4. promote the adoption of land use and management practices that create a balanced ecosystem and conserves biodiversity thereby ensuring the future livelihood of local people;   |               |
| 2:5. foster cooperation between stakeholders wherever action is needed to rehabilitate degraded habitats and undertake joint projects when needed;   | Please select |
| 2:6. to conduct regular meetings at which will be transacted the normal business of the Association and at which films may be screened, the services of local and visiting lecturers utilised and other activities associated with the development of these objects conducted; | Please select |
| 2:7. to conduct regular outings and field days to areas where members may participate in the study of Coastcare projects;  | Please select |
| 2:8. to promote the preservation of Flora, Fauna, Geological and Geographical features, Environmental and Habitat units by all lawful means, including, but not by way of limitation, the following :  | Please select |
| 2:8.a. by educating by all possible means all sections of the community, in an understanding of the principles of Coastcare, Conservation, Biodiversity, Sustainable Resource Use and Preservation of the Environment.   | Please select |
| 2:8.b. by discouraging threatening processes to, or the wanton destruction, of any such Flora, Fauna, Geological or Geographical features and particularly those sites known to have Sacred or Cultural significance for the Aboriginal people.                                | Please select |
| 2:8.c. by accepting affiliation from, or co-operating or affiliating with any Society or Corporation in Australia or elsewhere for the furtherance of the foregoing objects.   | Please select |
| 2:8.d. by supporting management plans and agreements that are consistent with the Associations objects.  | Please select |
| 2:8.e. to cooperate fully with all Local Government Departments and land holders and others to ensure that they are aware of environmental concerns before making major planning decisions that could affect land management; and  | Please select |
| 2:8.f. to seek Corporate sponsorship or Government funding to finance the publication and distribution of such information to interested parties; and  | Please select |
| 2:8.g. to make submissions on Coastcare matters and to take all legal actions to ensure environmentally appropriate decisions are made.  | Please select |
| 2:9. To establish a Public Fund under the Association's constitution and rules for all donations received for the specific purpose of supporting the Group's environmental   | Please select |

|   |               |
|---|---------------|
| objects.  |               |
| 2:10. To publish regular Newsletters to keep members informed of the Associations activities and future events.   | Please select |
| 2:11. By all such other acts or things, as are incidental or conducive to the attainment of the above objectives. | Please select |
