

BP/SP3513.1 Cellular Phone Allowance
Business and Noninstructional Operations

Status: ADOPTED
February 21, 2012

The Modoc County Board of Education understands that cellular phones and other mobile communication devices are an efficient and important method of conducting Modoc County Office of Education business and can help to ensure the safety and security of staff, students, and others, as well as helping to protect County Office property.

The Modoc County Superintendent of Schools, or designee shall determine, whether an employee needs a cell phone and/or other mobile communications device in order to perform his/ her job responsibilities.
