

# NINETOFIVE - The Saga Begins

The 1st collection under the NINETOFIVE catalog.

## Deadline:

Submissions Close - June 20

## Overview

The first catalog release compilation album released on the label. Including all producers including guests on Part II.

## Requirements

1. *Beat from each member will be included on the release: you're welcome to send more than one so that we can pick the best fit for the release.*
2. *Exclusives only: No beats that's been previously released*
3. *Track should be between 2:30 and 3 minutes in length*
4. *It goes without saying, but we're putting this on vinyl so bring your **best!** No throwaway joints please.*

## Audio Requirements

Please provide finished tracks in **24bit WAV/AIFF** format. **No MP3s please.**

All tracks should be provided UNMASTERED (ie. no compression or limiting on your output chain), as the project will need mastering for vinyl release.

## Vibe - Sound

Bring your best to showcase your name as a producer and vision to showcase the fans of the NINETOFIVE.
