

Hi X

I Stumbled across your videos and I think you are really honest and passionate about Youtube.

I also like your college 101 course. I think a lot of people are falling into debt by going to college.

I'm going to be 100% clear with you.

I think your brand is cool and I want to provide copywriting marketing services for you.

I have a few ideas for getting people to join more programs by showing how easy it is to join these programs and services.

But honestly that's just my best guess since I've only seen your business from the outside looking in.

If you're interested, I'd like to have a quick zoom call with you to learn more about your brand and brainstorm ways I can help you.

What does your calendar look like this week?

I think your college 101 video is very valuable and informative. I know a few people who wish they had that information before they went to college. Dealing with the debt is very rough.

I like your brand. Have you ever considered trying (insert a Free Value idea)? I could help you with that. And that will lead to more people joining and that leads to more sales!
