## THE SOCIAL MEDIA STALKER SONG (Every breath you take, THE POLICE)

Every \_\_\_\_\_ you make, Every \_\_\_\_\_ you take

Every \_\_\_\_\_ you make , Every heart you break

I'll be stalking you

.I see \_\_\_\_\_ every day, Hear the words you say

Play the \_\_\_\_\_ you play , Every night and day

I'll be stalking you.

Oh you're not \_\_\_\_\_ , There's no privacy

And all it takes are the rules \_\_\_\_\_ break.

The random \_\_\_\_\_ you make , Party pix you take

The words are not opaque, Each mistake you \_\_\_\_\_

I'll be stalking you.

When you're gone - I'm still there - you leave \_\_\_\_\_ trace

Your GPS is \_\_\_\_\_ and you don't erase

All day, all night, I can always - see your \_\_\_\_\_

Your \_\_\_\_\_ private settings are a disgrace

I'm still stalking you ... daily... it's easy

Oh you should be, So creeped out by \_\_\_\_\_

Your privacy's gone so totally

The \_\_\_\_\_ pic you made, Your checking-in tirade

Details displayed Say you're \_\_\_\_\_ afraid

But I'm stalking you.

Random friends \_\_\_\_\_ made , Fell for my charade

I'll be stalking you
