PRIVACY POLICY

THANK YOU FOR USING NEXT UPDATE!

1. WHAT WE COLLECT

Information you give us or give us permission to collect

When you use Next Update, you voluntarily share certain information.

- **Account information**: When you use Next Update, register on Next Update website, or other types of engagement, we collect personal information, including, but not limited to, your name, email address and preferred language.
- **Content:** We collect information on your interactions with Next Update.

You have total control over your information and can always refuse to disclose certain information at your own cost, i.e. being prevented from using related features and services.

Technical information when you interact with Next Update

When you use Next Update, certain activity information gets logged automatically. Below are some of the types of information we collect:

- **Device information:** We collect information about the device you use to access Next Update, including, but not limited to, its type, operating system, network service provider, settings, and identifiers.
- **Log data**: When you use our services, our servers record information, including the one that your browser automatically sends upon your visit or usage. This log data includes, among others, your Internet Protocol (IP) address, browser type and settings, and the date and time of when you accessed Next Update.
- **Cookies**: We also use “cookies” or similar technologies to obtain log data. We might use cookies to store your language preferences or other settings so you won’t have to set them up every time you visit Next Update.
- **Usage data and inferences**: When you use Next Update, we collect information of your activities such as terms you search together with other information you provided upon your previous visits to make inferences about your preferences.

2. HOW WE USE THE INFORMATION WE COLLECT

We are committed to making our services more relevant and helpful for you. To do that, we use information we collect to improve your experience.

- **Improve customer service**: Information you provide helps us respond to your customer service requests and support needs more efficiently.

- **Personalize user experience**: We use aggregated and de-identified information to understand how our group of users use Next Update and how we could provide a more exciting and engaging experience.
- **Send updates, including emails, push notifications, SMS or phone:** We may send you information and updates pertaining to your activities. If you want to opt-in to our mailing list, you will receive emails of company news, updates, related offerings, etc. If at any time you want to unsubscribe from our mailing list, you can do so by contacting us via our site.

3. HOW WE PROTECT YOUR INFORMATION

We adopt appropriate data collection, storage and processing practices ,and security measures to protect against unauthorized access, alteration, disclosure or destruction of your personal information, username, password, transaction information and data under our control. With law enforcement agencies, government agencies or any requests in compliance with the law, we only disclose requested information in response to such requests to protect safety, rights or public property of the public, any person or Next Update, or to prevent other security or technical issues. Sensitive and private data exchange between Next Update and users happens over a SSL secured communication channel and is encrypted and protected with digital signatures.

We do not sell, trade, or rent your personal identification information to others. We may share generic aggregated demographic information not linked to any personal identification information with our business partners and trusted affiliates for the purposes outlined above.We may use third party service providers to help us operate our business and the Site or administer activities on our behalf, such as sending out newsletters or surveys. We may share your information with these third parties for those limited purposes provided that you have given us your permission.

4. HOW TO DELETE YOUR DATA & ACCOUNT?

You can delete your account and all data stored on our server by selecting “Delete my account” in your Settings and follow the instructions. Your request will be processed within 72-hours. Please note that it's impossible to recover such deleted data.

If you do not come online at least once within 24 months, your account will be automatically deleted along with all data with all transactions and other information.

5. CHANGES TO THIS PRIVACY POLICY

Next Update has the discretion to update this privacy policy at any time. When we do, we will post a notice on our site, revise the updated date at the bottom of this page. We encourage you

to frequently check this page for any changes. You acknowledge and agree that it is your responsibility to review this privacy policy periodically and become aware of modifications.

6. YOUR ACCEPTANCE OF THESE TERMS

By using this Site, you signify your acceptance of this policy and other changes after they take effect. Your continued use of the site following the policy notice will be deemed your acceptance of changes.

7. CONTACTING US

If you have any questions about this Privacy Policy or the practices of this site, please contact us at: dotrananhduc@gmail.com
