

2022 - 2023 Where in the World has the hawk flown reflection and grading rubric

Use the charts below to

1. Reflect on the project
2. ID the backpack skills you used, and how
3. Grade yourself on your effort in completing this task

Reflection:

What was fun about this project? What are you proud of?

What was hard about this project?

What do you want to work on next time?

What feedback do you have for the teacher?

BOSS	What it is	How you used this skill
Effective communicator	❖ Uses different tools to share ideas & thoughts; ❖ Knows when & how to use pictures, written text, voice, & technology. ❖ #1 goal is to make sure whatever tool used needs to meet audience's needs & the message makes sense	
Emerging innovator	● Identifies a problem & uses process to solve ● Risk taker & puts effort into improving a project, assignment ● Asks questions, uses inquiry learning to clarify understanding ● Take feedback & make changes	
Globally & culturally competent learner	● Makes decisions that involve everyone, listen to & consider other perspectives & opinions (democratic processes)	

	• Interweaves other cultures, perspectives, & beliefs into what we learn & how we learn. This includes ways you learn & communicate. • Works in a group on a project or assignment & share it with others in ways that involve different ways of learning	
Prepared & resilient learner	• Knows how to read, write, solve math problems & use these skills anytime, anywhere • Does not give up when learning gets tough • Set personal goals based on pausing & reflecting, MAP scores & assessments. • Uses frameworks & processes to complete tasks/projects.	
Productive collaborator	• Work with others to complete a project. • Listen to each other for ideas & different opinions. • Is involved in group decisions • Provides feedback so everyone takes personal responsibility for the outcome.	
Spanish proficiency	Uses Spanish skills to share what you learn including learning about Spanish culture	

Grading Rubric

You decide what your level of effort was on this project and justify your answer.

Effort Score

Grade Range

1 = did not complete the task	A = 36 - 40
2 = partially completed the task OR completed the task but with errors	B = 26 - 35
3 = completed the task with no errors	C = 16 - 25
4 = went beyond what was asked. This includes taking feedback and making changes	D = less than 16

Activity	Effort 1 - 4	Justify your answer, your why
Engaged with both the resources provided - CultureGrams & Britannica Encyclopedia		
Cited all the sources you used, correctly		
Answered all the questions in the Graphic Organizer		
Took notes - words and phrases; DID NOT WRITE complete sentences or plagiarize		

Fixed any and all grammar and spelling mistakes in your notes/graphic organizer		
Was involved in discussions about what went on each slide - gave and took feedback		
Recorded your voice using Vocaroo		
Helped set up the slides for the game		
Was a digital citizen and used technology for learning only		
Completed the above reflection and identified BOSS skills used.		

Your grade is:
