35 interviews with famous street photographers

[Bird In Flight](#) is an online magazine about photography and visual culture from Kiev, Ukraine, with 225,000 monthly visitors, a content project of international photo bank [Depositphotos.com](#), and the namesake photo award.

In the magazine we spoke with internationally recognized [street photographers](#) from around the world: Gustavo Minas, Richard Bram, Peter Kool and others. Four of our thirty five interviews were published in English, including this huge [profile of the New York City](#) Street Photography Collective (NYC-SPC) with seven of 21 members.

This interview has 6,000 views. Our [most popular text](#) has 10,000 views.

Writing

English, Russian

Mar 2015 — present
