

Woodlands at Greystone Landscape Committee Schedule and Activities

Scheduled Services

The Landscape Committee will publish landscape services (mowing, weed treatment, etc.) on the facilities calendar and in a summary list below.

Please note: The HomeOwner Association contracts a set number of services per year. If you feel your home needs additional services over and above those contracted (e.g., lawn feed or weed, tree or shrub trimming, plant bed cleanout, leaf clean up, etc.) you can secure those services privately but the HOA is not responsible for any costs.

2025 Landscape Services

The following services are planned for the Woodlands at Greystone. Once the dates are confirmed by the service provider the row will be noted accordingly. All other service target dates are subject to conditions, weather, and service provider schedules.

Service Summary	Details	Target Dates
