

HEALTH OCCUPATIONS TECHNOLOGY

Dear Students and Families,

Welcome to the Health Occupations Technology Program at Clearfield County Career & Technology Center! We're so excited that you've chosen to join us on this journey toward a meaningful, in-demand career in healthcare. Whether you're planning to continue your studies in college or jump straight into the workforce, our goal is to give you the skills, confidence, and real-world experience you'll need to succeed.

What to Expect

- **Rigorous Academics & Hands-On Practice:** You'll spend time in the classroom mastering foundational concepts, then apply them in our skills lab.
- **High Professional Standards:** Healthcare is a field that demands excellence. We ask every student to meet our academic benchmarks, follow our code of conduct, and demonstrate the teamwork and responsibility you'll need on the job.
- **Support Every Step of the Way:** Your instructors, Mrs. Gunter and Mrs. Saggesse, are here to guide you. We believe open communication is key—please reach out anytime with questions or concerns.

Getting Ready for Day One

All students must provide:

- A copy of your most recent physical exam
- Your immunization record and annual TB screening
- Proof of your yearly influenza vaccine (usually available in September or October)

Uniform & Supplies

To help you look and feel professional, CCCTC will provide one full set of scrubs (embroidered with our school logo). Fitting and ordering will take place on **Thursday, September 11, 2025**, courtesy of New Look Uniform & Embroidery. In addition, please bring:

- Clean, athletic-style shoes with non-skid soles, closed toes, and closed heels (no Crocs or clogs; socks required)
- A watch with a second hand
- A 2" (or larger) three-ring binder with tab dividers

Don't worry about tools and equipment—we'll supply everything you need for hands-on training.

We're thrilled to partner with you as you embark on this exciting chapter. Your dedication and enthusiasm are what make our program so special, and we can't wait to see all that you will achieve.

Warmly,

Mrs. Jody Gunter, R.N., B.S.N.

Mrs. Tonya Saggesse, M.S.N., R.N.

Health Occupations Technology Instructors

P.S. CCCTC provides professional liability insurance for all students during clinical assignments (minimum \$1,000 per incident; \$3,000 annual aggregate). We've got you covered!
