Mr. Morrison reviewed the revised SRCSP plan with the Board. He reviewed the changes to the plan with the main change being to remove the LPHA - Local Public Health Authority from the plan as requested by the MO Attorney General. Changing the masks from recommended to optional except for while on the bus which is a federal mandate. Mr. Morrison shared with the Board what other local schools in Bates County are considering. He reviewed the information he had received from the Bates County Health Department and Vernon County Health Department. Bates County is not enforcing, only recommending the 10 days isolation with a confirmed Covid test. Vernon County is enforcing 10 days of isolation with a confirmed Covid test. Mr. Morrison asked the Board if they wanted to continue with the 10 days of not returning to school or to reduce it. The consensus of the Board was to remain with the 10 days at this time. The plan is subject to change as more guidance becomes available. A public meeting to discuss the SRCSP will be held at the school on January 19th at 7PM.
