BLACKLIST

Blacklisted people are excluded to do anything with me or my productions and they can't work with me anymore
blacklisted people are excluded from getting any of mine characters/interacting with me or people who are close friends with them. I do not want any contact with them, including through

intermediaries. If my design get sold to any of these people below i'll blacklist this person too (i'm not even kidding)

If someone from my Blacklist will get my design after I put them on blacklist I have FULL RIGHTS to take it back as I please when mine requests would get ignored (refund resources to previous owner or sold it to someone else who isn't blacklisted) I Do not Take Responsibility for what you do with those Characters, What history you're going to make, or what kind of art they will get.

! ! characters bought/got before blacklisting doesn't count ! !
