## **Welcome**

## **No DAC Update**

## **Noel Night**

- 4-6pm Singing starting: Distillery, can use parking lot @ Keller Williams
- \*\*check with Dreher for Distillery location confirmation?
- Had rehearsal
- Singers: Mark P, Izzy, Patriot, Paola, Alaina?, Jared
- MM: we need a banner or sign so people know who they're donating to, also need a collection bucket
- Paola: more students might get involved if they don't have to sing
- MM: what is the song list? Just a few songs on a loop?
  - ID: yes
- MF: we need to put it in the announcements- go around to advisories and get more people involved
- MM: need to have lyrics printed out for everyone
  - ID: Jared and Mark are working on that
- PL: maybe have it separate from Bake Sale- people probably won't contribute to both
- SH: can use Keller Williams parking lot or stand out front
- May get more traffic if we stay down around 7th in their door area to have light- lobby is open until 5:30

## **Art Walk**

- Shannon talked to DEF and they are willing to sponsor

- Smiley Building is where she is looking at- they may be willing to keep our stuff up before and after
  - Once location is locked down DEF would look into a Special Event permit for alcohol
  - MM: Who would bartend?
- Michelle and Sarah will talk to Keller Williams and Coldwell Banker to see if they might allow us to be in their lobbies
- Sarah brought up the Main Mall- we may try there if needed?
- MB: even if Smiley doesn't get traffic or work for the actual Art Night, maybe we can still hang stuff there after to sell the rest of it
- MM: having downtown during this event- make sure everything looks nice, table cloths, frames, quality stuff, etc
- SH: maybe a sponsor for some snacks, etc
- MM: what exactly does it mean for DEF to sponsor? Is Big Picture mentioned at all?
