

Scene 1: Fingering with Armpit Licking

Intro

H: So, you'd like to learn the secrets of earth magic.

H: Very well then, but I must warn you: This ancient magic will surely aid you greatly on your quest, but you must use it with caution and restraint.

A: I will put it to good use, I'm fighting the good fight.

H: Oh, I'm sure you are. I don't doubt your motives or your intentions, not for a second.

H: I do doubt however that you have the money to pay for your 'tuition'.

A: Money?

H: Well, yes. Uncovering these secrets is my life's work. With all due respect, I can't just teach it to anyone for free.

(aura brings back crystal)

H: Even if you did bring back my catalyst, I'm afraid I will still ask for money.

(aura keeps crystal)

H: Especially since you couldn't find the catalyst, I really need the money to buy the resources needed to make a new one!

A: How much money.

H: X amount

A: That's crazy!

H: Yes, to a budding adventurer I'm sure it is. Thankfully...I have some other ways that you can pay me with, if you'd like to learn these ancient secrets.

A: (Other ways...? Of course. Here we go again...)

L: Are you really THAT surprised?

A: (Too many people in Roya are perverted like this! What kind of parallel world is this even where everyone is trying to exchange goods for sex!)

H: You seem to be uncomfortable all of a sudden, young lady.

Option 1: I don't do such lewd things!

Option 2: Just get on with it...

OPTION 1 - AURA ABOVE A CERTAIN LEVEL OF LEWDNESS

H: Come now, young lady. We both know that's a lie.

H: I've seen plenty of women in my time. I've seen plenty of saints and I've also seen plenty of sinners. You're definitely with the sinners.

L: Ooooooh! He saw right through you! Things are getting interesting with this old man!

A: E-Even if what you said is true...that doesn't mean I'm willing to just give myself out to anyone.

H: And you shouldn't do that. I'm not deluded enough to think you'd want to do something like that with me without any compensation.

OPTION 1 - AURA BELOW A CERTAIN LEVEL OF LEWDNESS

H: I suppose it's normal for a young female adventurer to want to keep herself pure. I'm sure there's plenty of young men, big and strong, vying for your attention.

H: I would have too, if I was in shape and 40 years younger.

L: Well, he's right.

L: About there being plenty of good candidates for you to give yourself to, that is. If only he knew what sort of a miserable boy you choose devotion to instead.

H: But still, I'm not getting any younger, and my isolated life here means I hardly get the chance to interact with women nowadays.

OPTION 2

H: You are hesitant, but it looks like you understand what I'm trying to say here.

H: If you don't want to pay the price in gold to learn the magical secrets I spent a lifetime unearthing, you'll have to give me something of equal value instead.

A: When you say something of equal value, I certainly hope you're not talking about sex, then.

A: There's no way I'd do something like that.

H: Oh, no! Not at all! As much as I'd love to have sex with you, I'm not deluded enough to think that equates to the value of a single spell.

H: Let's see...

H: I would want to touch... and...

H: I would want to lick, yes. That's it. I want to touch and lick you.

A: ...!

H: I don't intend to use my tongue on your breasts or down there either. Only my fingers would touch you in those places.

A: So you're saying your penis would not touch me at all.

H: Nope. It will be kept in my pants the whole time.

H: I'm more concerned with living out something memorable, something that would stay with me for years to come so I can masturbate to it in this solitude.

A: (This guy is completely oblivious to the concept of 'Too Much Information'.)

L: Stop trying to distract yourself from the elephant in the room, Aura! You have a very important thing to decide.

L: Waste an inordinate amount of money and burden yourself in completely unreasonable ways just to be a prude, or let him cop a feel and be on your way a stronger warrior?

A: (Right...I need to make up my mind...)

Option 1: I will be paying in gold

Option 2: I will...pay with my body...

OPTION 1 ROUTE

H: It's a missed opportunity if you ask me, but it's your choice. At least I'll have some money to splurge if I ever go into town again.

H: In any case, which spell would you like to learn?

OPTION 2 ROUTE

H: A very wise choice.

H: Now, if you please, step out of your clothes and show me your lovely body.

A: ...

L: Come on, Aura! Don't delay now! Hyahahaha~!

A: Can we...at least go back inside your home? I don't want to do something like this out in the open...

H: Not a soul passes by here, but if you prefer to do it inside, we can do it inside.

#fade to black

Sex Scene

CG Start

A: Alright...I'm ready...

#fade in to cg

A: (This is so unbecoming...I can't believe I'm doing something like this...)

H: Young lady...

H: Seeing your body beneath your armor, it's much better than what I had fantasized about!

A: You...were fantasizing about me...?

H: How could I not?

A: (Gross...)

H: I won't delay you any longer. I'm sure you have matters to attend to as well. Let's get started then!

Groping

H: Ooooooh, so soft and squishy! The breasts of a woman still bearing the fruits of her youth - leagues ahead of anything those washed up tavern whores back in my home town would have!

A: (He's groping them so fervently...!)

(normal version)

A: (How troublesome to have such a lecher touching me like this!)

(pink version)

A: (Nnnnnngh...why is it making me feel so weird...so hot...down there...)

H: Your breasts are simply divine, young lady!

A: Just...hurry up and satisfy yourself please!

H: Let's see what else will happen if I do this...

#old man pinches aura's nipples

A: Uaaaaaaaaaaaaaaaaaaaaah~

H: And what a wonderful voice you let one when I pinch these delicate, rosy nipples of yours!

A: D-Don't...make such a big deal out of it...!

A: (I can't let all the weird, perverted things he's saying get to me. I have to just grit my teeth and bear it...!)

A: (Just ignore the fact that he's there, Aura. Ignore him and he'll probably finish up soon...)

L: What's the matter, Aura? You seem to be getting nervous, you're really starting to sweat here.

A: (Easy for you to say...you're not the one getting groped by a guy three times your age!)

L: All I'm saying is if you're really that against turning this guy on, it probably isn't in your best interests to get all sweaty like this right next to him.

L: Lewdness begets lewdness, you know.

A: (What are you even talking about?)

H: Mmmmm...Can you lift up your arms, young lady?

A: E-Excuse me?

H: Lift up your arms, put them behind your head. It doesn't violate our agreement at all, does it?

A: I...I guess not...

#aura lifts up arms

A: H-Here...

H: Oh yes! My suspicions were correct!

#old man leans forward

A: (Wh-What the hell?! Is he...? Is he sniffing my armpits...?!)

H: I've found the source of this heavenly smell! I have to get more!

#old man starts licking

A: (Ugh! He's licking them now as well!)

A: H-Hey! Stop! Why are you licking my armpits?!

H: Because it's part of our agreement...mmmm...! You said I could lick wherever I wanted, provided I didn't lick your breasts or anywhere near your crotch!

A: I never thought a man would be interested in...licking my armpits of all things...!

H: What's wrong with it? It's the natural scent of your womanly body, and it's only made more intense when you're sweating like this!

H: It's only normal to be aroused by the smell of a woman, is it not?

A: (How can anyone be so shameless...?)

L: It's your body that's shameless, giving off such a lewd scent. He's only responding to the natural signals you're giving him.

H: If your breasts have such a strong reaction to my touch, let's see how your precious little entrance down there will react!

A: Wait...! Don't t-touch my p-!

Fingering

#hermit sticks one finger in

A: Ahhhhhhhhhhhhhhhhhhhhhhhhhhhhh~!

H: Mmmmm, yes. As expected, this is your most vulnerable spot, young lady!

H: The moans you make when I fuck it with my fingers are even sweeter than when I pull on your nipples!

A: You...You're not fucking it...! Haaaaah! M-My vagina isn't for other p-people to fuck...!

L: Even if he's not fucking it, he's still done more to it than your actual boyfriend has. That on its own should speak to how faithful you are.

(normal version)

A: (This feeling...it's starting to feel hot in my crotch...! Haaaaah!)

(pink version)

A: (Why...why can't I stop myself from getting so wet? Haaaaaaah!)

L: That, and the way you're reacting to it too.

A: (No! I can't give him the satisfaction of making me cum...!)

A: W-Wait! Haaaaaaah! Don't...! Don't go so...ahhhh...so fast...!

A: (B-But...)

L: But you can't help but give in!

L: Yes, allow this wizened old man's hands use their years of experience molding the magics of the earth to mold your pussy into that of a slut's!

A: (N-No...! Nnnnnnng!)

L: Struggle all you want, but you're only delaying the inevitable.

L: In fact, you SHOULD struggle. That way it'll make the eventual surrender to orgasm all the more humiliating! Hyahahayayaya~!

H: Your pussy is calling out to me for more! It won't be satisfied with just one finger alone! I'll take you to the heights of pleasure and make you cum!

(normal version - hermit sticks two fingers in)

A: Haaaaaaaah! You...!

A: (Oh God...! Another finger...!)

H: Your body was calling out to me, young lady! Look at how eagerly your pussy accepts it! I can read your reactions to see how much you want this!

A: What are you...talking about...?! My body is...is not reacting like that!

L: Poor Aura. So busy trying to convince herself of her own purity she's blind to see the very way her body reacts to being touched.

L: Look at how starved you are for the physical affection of a man! If you won't seek it from your boyfriend, then your body will naturally seek it from other men instead.

L: If you ask me, he's playing it far too safe. I would've stuck in another finger if I were him! Hyahaha!

H: Please don't try to fight it! Your body is telling you it wants to enjoy this! Let yourself enjoy it!

A: N-No...! I'm...! I'm not enjoying this!

H: But you're almost there! Your sacred, special hole is twitching like crazy every time I thrust into it!

(pink version - hermit sticks three fingers in)

A: Nnnnnnnnng! Noooooooo~!

A: (Oh fuuuuuck! He just...! He just stuck two more fingers inside me!)

L: Ooooooh, how exciting! A bold move to go with three fingers for a woman he just met. I guess your slutty body is just that alluring, eh, Aura?

A: Y-You can't just...! Stick that many fingers into me without warning!

H: But your pussy swallowed them up instantly! There was no resistance, I can tell your body is craving this!

A: Craving...?! C-Craving...Haaaaaaah!

L: He speaks the truth, does he not? Does your body not crave to be touched by a man, since your actual boyfriend is too much of a wimp to do it himself?

A: (This is bad...! The burning feeling in my crotch! It's making my mind go all hazy...)

A: (Being touched like this by such a pervert...nnnnngh...it shouldn't feel this good...!)

H: You're almost there! What a sensation to feel your sacred, special hole twitching like this at my touch!

H: Let me make you cum, young lady! Let me make you cum!

A: (Can't...! Hold on anymore...!)

L: It's over Aura, surrender yourself and cum. Cum and this'll all be over, if you'd rather think of it that way.

A: (If I cum...it'll all be over...if I cum...)

A: (I have to...I want to cum...!)

A: (I want t-to...!)

Cum - Normal version

#aura cums, but doesnt squirt

A: Ahaaaaaaaaaaaaaaaaaah~!

H: Doesn't that feel so much better, young lady? Let yourself go! Enjoy your orgasm!

A: No, don't look at me...! Look away! Nnnnnnghaaaaaaaaah! It's too embarrassing!

L: You think he'd really do that? He has you cumming on his fingers like this and you think he'll look away?

L: You've already given him your body, and shown him your slutty side in your orgasm, you might as well enjoy it.

A: (No...! Ghhhhhh! I refuse...to enjoy something like this...!)

A: Haaaaaaaaaaaaaaaaah! Ahhhhhhhhhhhhh!

A: (The only person I'd enjoy this with...is George...!)

L: Hmm, suit yourself. Either way it's your loss~ Hyahahaha!

Cum - Pink version

#aura cums, squirting quite a bit

A: Hyaaaaaaaaaaaaaaaaah~!

L: Oh wow, now isn't this a sight to behold!

A: N-Noooooooooo~! I-It's coming out! Ahhhhhhhhh!

H: There's nothing to be ashamed of! This is your body's natural reaction to an orgasm! Enjoy it!

A: (Feels...! Too good! Cumming feels so good! Haaaaah!)

L: Yes, Aura! Let it all out!

A: (Squirting...! Feels goooooood! Uaaaaaaaaaaaaah! Wanna...cum more!)

L: Squirt yourself silly until all these foolish notions of decency are no more! Hyahahaha~!

After Cum - Normal version

#aura is finished cumming

A: Haaaaaah...haaaaaah...

H: I...I have no words to say...

L: Awww, look at that. You've left him breathless after putting on such a good show. I think he's got a crush on you now.

A: (Well, he can keep that to himself...)

H: Witnessing your orgasm right in front of me, feeling the way your body trembled against my fingers!

H: Young lady, I must thank you. I haven't felt anything akin to what I'm feeling right now in years, decades even! Your body is truly magical!

A: I didn't do it for free...you have to...teach me a spell now...

A: (Not letting you weasel your way out of this with flattery, old man!)

H: Of course. I have no intention of backing out of our deal, especially after you played your part so well.

After Cum - Pink version

#aura is finished cumming

A: Haaaaaah...haaaaaah...

H: Young lady...!

H: That was...amazing! In all my many years of life, I've never seen a woman cum like that before!

A: (Oh...Oh no...! What did I just do...?!)

L: Besides embrace your true feelings? Nothing much. You came like a damn fountain back there. You gotta admit, it felt good, didn't it?

A: (I don't care how it felt! I can't be doing things like this! Damn it...I let myself get carried away...)

H: To see someone as beautiful as yourself squirt so much after I touched her...I must thank you, young lady. You truly made me feel 40 years younger today.

A: You're...welcome...

A: But I didn't do any of this for free!

H: Of course, of course!

H: If you'll allow me a second, I'll go wring some of these juices that got onto my clothes into a vial. I won't be getting access to something like this again anytime soon.

H: I'll do that while you get dressed, and I'll bring back some of the things necessary for the lesson.

A: (Ugh...the more this guy talks the worse it gets sometimes...)

After CG

H: So, where were we again?

H: Ah yes, just as I said, I will teach you any one of my powerful earth magic spells you wish to know.

H: Please, make your choice.

(after aura picks and learns a spell)

H: A good choice, I'm sure it'll come in handy for your travels to come. Earth magic can be very powerful - the more spells you know, the better equipped you are.

H: Oh, and by the way - the offer isn't a one time thing. If you'd like to exchange these kinds of 'goods' for more knowledge, come and visit me again.

H: I've still got plenty more I can teach you.

(IF AURA'S LEWDNESS IS HIGH ENOUGH)

A: (Might have to take him up on that offer...)

L: You DEFINITELY should! Hyahaha~

A: I will think about it.

H: Ah, very good! I look forward to your return, young lady! You prepare your body, and I will prepare your magic lesson.

(IF AURA'S LEWDNESS IS NOT HIGH ENOUGH)

A: (It's bad enough I had to go through this once, and he still wants more...! Shouldn't the drive get curbed at this guy's age, anyway?)

L: Curbed or not, it's still there! You've heard him, you're the first woman he's seen in person in god knows how long!

L: Plus, what kind of hero are you if you're not willing to make sacrifices to help the people of Roya?

A: (Right, because offering my body like a whore is a 'heroic sacrifice'...)

A: Thank you for the offer, but it's unlikely I'll take it up.

H: As you wish. Just know that it's standing.
