Subject line: Stress relieving drinks after work

Recess is a stress relieving product with 3 healthy herbs that help you cool down.

This is a **limited** drink for a limited amount of time.

We are going to be accepting orders in the next 2 days

But...

We imagine that we will sell out within 24 hours of sending this email.

If there is a way we can **help** you after coming back home from work

[Discover a new generation of liquid energy.](#)
