Krivinchuk Resource Math:

Friday, May 29, 2026

Math: Quiz

Reading:

Writing:

Science: River Slides due today

Social: MN Booklet pages 1-4 due today; work time after bucket list brainstorm

Stem: Outdoor Day

Tech Literacy:

Krivinchuk Resource Reading:

Krivinchuk Resource Math:

Thursday, May 28, 2026

Math: Unit 7 Practice Day 2 (Quiz Friday)

Reading: Finished the book *A Long Walk to Water*, turned in one pagers, celebrated the awesome story!

Writing:

Science: River slides

Social: Peer Review of MN Booklet pages 1-4 & 6; work time during read aloud (add bucket list page 5)

Stem: Diet Coke and Mentos - All assignments due June 1st at 3pm

Tech Literacy:

Krivinchuk Resource Reading:

Krivinchuk Resource Math:

Wednesday, May 27, 2026

Math: Review Day

Reading: Ch 16 & 17 of A Long Walk to Water, continued one pagers due Thurs after we finish the book

Writing:

Science: River Slides

Social: Minnesota Booklet - use directions on the [slides](#) to finish title page, and pages 2,3,4. (Start MN Symbols only if done with other pages.)

Stem: Elephant Toothpaste - All assignments due June 1st at 3pm

Tech Literacy:

Krivinchuk Resource Reading: Scholastic Reading. The Woman Who Swam with Sharks. Vocabulary WS and Character Analysis WS.

Krivinchuk Resource Math: Module 6 Lesson 7 - Triangle and Angle ID, measuring angles, probs 7-15

Final Quiz tomorrow

Tuesday, May 26, 2026

Math: Polygon Maker (Amplify Chromebook Lesson)

Reading: Ch 14 & 15 of A Long Walk to Water, continued one pagers due Thurs after we finish the book

Writing:

Science: River research, Select a river in MN and collect characteristics for slides

Social: Minnesota Booklet - Modern MN Map page 4 ([slides 7&8](#)); *FINISH* page 3 ([slide 6](#)), page 2 ([slides 4&5](#)), page 1 ([slide 2](#)) - Turning in this Friday, all assignments due by end of the school day, 6/1.

Stem: Alka Seltzer Explosion - All assignments due June 1st at 3pm

Tech Literacy:

Krivinchuk Resource Reading: Lexia - comprehension. No homework.

Krivinchuk Resource Math: Module 6 Lesson 5 problems 7-18 [MODULE 6 Test Thursday](#)

Monday, May 25, 2026 - NO SCHOOL - MEMORIAL DAY

Friday, May 22, 2026

Math:

Reading: A Long Walk to Water Ch 12-13 today; continued one pager projects

Writing:

Science:

Social: Minnesota Booklet - FINISH page 3 ([slide 6](#)) & MN Through the Years on page 2 ([slides 4&5](#)); start page 1 on [slide 2](#)

Stem: Mercalli Scale Illustrated - Due TODAY!

Tech Literacy:

Krivinchuk Resource Reading: Make up day

Krivinchuk Resource Math: Make up day

Thursday, May 21, 2026

Math: Review game in Blooket!

Reading: *A Long Walk to Water* Ch 9-11 today; continued one pager projects

Writing:

Science:

Social: Mr. Delacey Visit - Career Counseling & 7th Grade schedules **Homework** - Finish MN Booklet page 3 ([slide 6](#)): MN Based Companies if not completed

Stem: Mercalli Scale Illustrated - Due Friday

Tech Literacy:

Krivinchuk Resource Reading: Lexia - WIN. No homework,

Krivinchuk Resource Math: Module 6 Lesson 4. Probs 8-20

Wednesday, May 20, 2026

Math: The A-Maze-ing Coordinate Plane (Amplify Chromebook Lesson)

Reading: *A Long Walk to Water* Ch 6-8 today; continued one pager projects

Writing:

Science: Erosion, Weathering, and Deposition, Mississippi River

Social: Minnesota Booklet - finish page 3 ([slide 6](#)) start MN Through the Years timeline on page 2 ([slides 4&5](#))

Stem: Mercalli Scale Illustrated - Please see Mr.Bridges if absent to collect a booklet

Tech Literacy:

Krivinchuk Resource Reading:

Krivinchuk Resource Math:

Tuesday, May 19, 2026

Math: Sand Dollar Search (Amplify Chromebook Lesson)

Reading: *A Long Walk to Water* Ch 3-5 today; continued one pager projects

Writing:

Science: Erosion, Weathering, and Deposition, Mississippi River

Social: Minnesota Booklet - research current Minnesota-based companies ([slide 6](#), page 3)

Stem: Natural Disaster Packet Review Day & Submission

Tech Literacy:

Krivinchuk Resource Reading: Scholastic Read. My Friends are fighting argument essay and work sheet.

Mr. K Gone 5/2026 - Lexia Word Study

Krivinchuk Resource Math: STARS Test

Mr. K Gone 5/20/26 - Module 6 Lesson 3 probs 7-19 plus Check Up 1-4

Monday, May 18, 2026

Math: Comparing Weights (Amplify Chromebook Lesson)

Reading: Introduced final project of the year - our One Pager Project alongside reading our final novel together: *A Long Walk to Water* - Ch 1-2 read in class today

Writing:

Science: Erosion, Weathering, and Deposition, Mississippi River

Social: Minnesota Scattegories (hours 1 & 2) Shark Tank Presentations& investment check writing (hours 4, 5, 7)

Stem: Stop Disasters! Game - Homework if not completed in class

Tech Literacy:

Krivinchuk Resource Reading: Lexia Comprehension. No homework.

Krivinchuk Resource Math: Perimeter - measuring irregular shapes worksheet probs 1-12.

STARS Test 5/19/26

Friday, May 15, 2026 - NO CLASSES - ACTIVITY DAY

Thursday, May 14, 2026

Math: NO CLASS - RIVER QUEST

Reading: 2nd hour played games; rest of the hours were on the River Quest Field Trip!

Writing:

Science:

Social: River Quest (earned good behavior free day for hours 1 & 2)

Stem: NO CLASS - RIVER QUEST

Tech Literacy:

Krivinchuk Resource Reading:

Krivinchuk Resource Math:

Wednesday, May 13, 2026

Math: STAR Math Test

Reading: Debate: Year Round School or Keep Summer Vacay the way it is?

Writing:

Science:

Social: Prep for River Quest tomorrow, Shark Tank Presentations

Stem: Science Experiment on Stress and Anxiety - No Homework

Tech Literacy:

Krivinchuk Resource Reading: STARS TEST

Krivinchuk Resource Math: Module 6 PL 2. Probs 7-16 + check up 1-4

Tuesday, May 12, 2026

Math:

Reading: District Reading Assessment - STAR test

Writing:

Science:

Social: Shark Tank Presentations (Hours 1 & 2) Presentation work day for hours 4,5,7

Stem: Earthquakes Rock - No Homework

Tech Literacy:

Krivinchuk Resource Reading: Lexia Comprehension

Krivinchuk Resource Math: Module 5 Test

Monday, May 11, 2026

Math: Tunnel Travels (Amplify Chromebook Lesson)

Reading: "The Spider's Curse" - Reader's Theater

Writing:

Science:

Social: Shark Tank Presentation work day (hours 1 & 2) Minnesota Scattegories when Internet went out (hours 4, 5, 7)

Stem: Faulty Movement - No Homework

Tech Literacy:

Krivinchuk Resource Reading: Scholastic Reading "What if your school . . ." Vocab and sequence of events.

Krivinchuk Resource Math: Work Day - complete missing assignments and review for Module 5 Test.

Friday, May 8, 2026

Math: Unit

Reading: RSP, duh! IDR - time to read independently find books, and check status of the Q4 IDR challenge. If earned/time, continued the Percy Jackson episode from yesterday.

Writing:

Science:

Social:

Stem: Sound Walk - No Homework

Tech Literacy:

Krivinchuk Resource Reading:

Krivinchuk Resource Math:

Thursday, May 7, 2026

Math: Quiz Review Day, Quiz tomorrow

Reading: Debriefed about the Showcase! Turned in Speech Notecards and Videos! *Bring IDR books tomorrow. Watched part of a Percy Jackson episode.

Writing:

Science: Mini Mineral showcase extravaganza!!

Social: Shark Tank pitch slides

Stem: Faulty Movement - No Homework

Tech Literacy:

Krivinchuk Resource Reading: Lexia - WIN. No Homework

Krivinchuk Resource Math: Module 5 Lesson 9 Probs 8-20 + check up 1-4

****Module 5 Test on Tuesday****

Wednesday, May 6, 2026

Math: We've Got Games (Amplify Workbook Lesson)

Reading: Presented and listened to speeches in preparation for the showcase!

Writing:

Science: Mineral characteristics- color, hardness, streak, luster, cleavage, fracture

Social: Shark Tank project research - book & online (finish [taking notes](#))

Stem: Faulty Movement - No Homework

Tech Literacy:

Krivinchuk Resource Reading: Lexia Word Study - No homework.

Krivinchuk Resource Math: Module 5 Lesson 8 problems 8-20 + check up 1-4

Tuesday, May 5, 2026

Math: Distance on a Number Line (Amplify Chromebook Lesson)

Reading: Finalize speeches, record final speech/poster presentations, print QR codes - tomorrow is showtime!

Writing:

Science: Work day on mineral slides

Social: Intro to Shark Tank Project & groups begin [research](#)

Stem: Drifting Continents - No Homework

Tech Literacy:

Krivinchuk Resource Reading: Shape Poem project completion

Krivinchuk Resource Math: Module 5 Lesson 7 Probs 7-18 + Check Up 1-4.

Monday, May 4, 2026

Math: Order in the Class (Amplify Workbook Lesson)

Reading: Finalize final drafts/notecards; practice with speech!

Writing:

Science: BW Mosquito Magnets, Mineral characteristics, 5 google slides

Social: Intro to CH 11 - Digital Lockbox on Google Classroom (HW if absent)

Stem: Nature Documentary - No Homework

Tech Literacy:

Krivinchuk Resource Reading:

Krivinchuk Resource Math:

Friday, May 1, 2026

Math:

Reading: Work time, final draft/notecards focus

Writing:

Science: BrainPop- minerals, Turn in week of Apr 27, Start mineral slides

Social: Finish Town Plat Map steps 1-5 (step 6 for Extra Credit); Finish Little House Movie

Stem: Drifting Continents - No Homework

Tech Literacy:

Krivinchuk Resource Reading:

Krivinchuk Resource Math:

Thursday, April 30, 2026

Math:

Reading: Work time, checklist focus

Writing:

Science: Rock cycle activity, Science World questions

Social: Finish Town Plat Map steps 1-5 (step 6 for Extra Credit)

Stem: Drifting Continents - No Homework

Tech Literacy:

Krivinchuk Resource Reading: Shape Poem Project - craft and draft.

Krivinchuk Resource Math: Proportions Worksheet #2. Probs 1-12

Wednesday, April 29, 2026

Math: Digging Deeper (Amplify Chromebook lesson)

Reading: Proofreading Practice; Editing Checklists Discussion; Rough Drafts due at end of the hour - tomorrow is a full editing day

Writing:

Science: BrainPop- Rock types, Outline for rocks

Social: Town Plat Map steps 1-4 & Little House on the Prairie movie

Stem: Layers of the Earth Guided Notes - Homework if not completed in class

Tech Literacy:

Krivinchuk Resource Reading: Argumentative Paragraph Writing - Ok to be messy.

Krivinchuk Resource Math: Proportions Worksheet. Probs 1-12.

Tuesday, April 28, 2026

Math: Can You Dig It? (Amplify Chromebook lesson)

Reading: Review of important ideas (use packet of research, not Google, to help write your speech; a hook is an attention grabbing idea to engage your audience; use the paraphrase pyramid strategy to help write your sentences/paragraphs; etc.); About 40 minutes of work time to write rough drafts today

Writing:

Science: Rock types vocab, Rock cycle outline notes

Social: Town Plat Map steps 1-3 & Little House on the Prairie movie through minute 50

Stem: Layers of the Earth Guided Notes - Homework if not completed in class

Tech Literacy:

Krivinchuk Resource Reading: Lexia - Word Study. No Homework.

Krivinchuk Resource Math: Module 5 Lesson 5. Probs 6-15 - class work time

Monday, April 27, 2026

Math: Learn Qwixx dice game

Reading: RBT weekend shares; handed papers back, continued developing our ideas on Quality Speeches (Herb Brooks Miracle speech); Work time - about 10-15 minutes per class

Writing:

Science: Rock types vocab, Rock cycle outline notes

Social: Intro to Town Plat project

Stem: Model of the Earth - Make sure your team has completed page 4 in the packet

Tech Literacy:

Krivinchuk Resource Reading: Lexia - Comprehension. No Homework.

Krivinchuk Resource Math: Module 5 Lesson 5. Probs 6-15

Friday, April 24, 2026

Math: MCAs

Reading: Friday RPS tournament; Intro to Speeches - What makes a quality speech?; Students received their draft writing packets and had some work time to start drafting their speeches - this packet will be due Tuesday/Wednesday next week, with final speeches due Friday.

Writing:

Science: Rock notes, work time, turn in document for Week

Social: Watched beginning of Little House on the Prairie pilot & response sheet (*Google Classroom*)

Stem: Natural Disaster Trivia - No Homework

Tech Literacy:

Krivinchuk Resource Reading: Lexia - WIN. Quiz re-do.

Krivinchuk Resource Math: MCA Testing

Thursday, April 23, 2026

Math: MCAs

Reading: Work day - we should be wrapping up our research soon so we can start writing our speeches!

Writing:

Science: Crash Course geography, rock cycle, rock type notes

Social: Sodbuster Stations & Digital Escape Room - no HW (*if absent, use Classroom assignment to work on stations*)

Stem: Save the City - If absent check in with your engineering team to see if they completed pages 2 & 3 in the packet.

Tech Literacy:

Krivinchuk Resource Reading: Zero-Waste Scholastic Reading. Quiz & Vocab sheet.

Krivinchuk Resource Math: MCA Testing

Wednesday, April 22, 2026

Math: MCAs

Reading: Lesson on the Paraphrase Pyramid by Ms. Ojanen! This is the step after students finish their research and bullet-pointed lists.

Writing:

Science: BW Building Bonds, Earth Day vid and questions, Rock notes

Social: Sodbuster Stations - no HW (*if absent, use Classroom assignment to work on stations*)

Stem: Nature Walk - No Homework if absent from class

Tech Literacy:

Krivinchuk Resource Reading: Shape Poem Project. Classwork. No Homework.

Krivinchuk Resource Math: MCA Testing

Tuesday, April 21, 2026

Math: Lesson Practices (Amplify)

Reading: Work day all hour (credible sources, research reading, notes per each element of a quality biography)

Writing:

Science: BW Wildfires, BrianPop Rock Cycle, notes

Social: Sodbuster Stations - no HW (if absent, catch up tomorrow)

Stem: Logic Puzzle - No Homework

Tech Literacy:

Krivinchuk Resource Reading: Lexia - Word Study. No Homework.

Krivinchuk Resource Math: MCA Testing

Monday, April 20, 2026

Math: MCA Prep, MCAs tomorrow

Reading: Continued practice with finding 6 elements in a quality biography and taking bulleted notes; Time to find credible sources and take quality notes on the person they are researching; Must have research with physical book practice DONE and bubble sheet from writing class DONE

Writing:

Science: Rock Cycle

Social: Intro to CH 10; Homesteading Sort (Classroom); Packing for MN Sheet (Classroom)

Stem: Save the City - If absent from class check in with your team to make sure they completed the activity

Tech Literacy:

Krivinchuk Resource Reading: Lexia - Comprehension. No Homework.

Krivinchuk Resource Math: Review Ratios, Rates, and Proportions. No Homework.

Friday, April 17, 2026

Math:

Reading: Research Resources lesson from Ms. Halli; work time if possible at the end of the hour

Writing:

Science: Rock and Mineral slides

Social: Soldier's Heart Quiz & work day to finish One-Pager; MN Civil War Blooket

Stem: Bill Nye the Science Guy: Storms - Homework if absent from class

Tech Literacy:

Krivinchuk Resource Reading:

Krivinchuk Resource Math:

Thursday, April 16, 2026

Math:

Reading: Turned in independent physical book research practice; began reading Malala biography to practice finding all 6 elements of a quality biography

Writing:

Science: BW, Rocks and Minerals electronic scavenger hunt

Social: Check-in 4/16 on Classroom & Finish Soldier's Heart; complete the one-pager

Stem: Naturally Disastrous - No Homework

Tech Literacy:

Krivinchuk Resource Reading:

Krivinchuk Resource Math:

Wednesday, April 15, 2026

Math: MCA Prep, Probability

Reading: Finished partner work; began independent assignment practicing finding the 6 elements of a quality biography - due tomorrow (will have class time tomorrow to finish)

Writing:

Science: Work day

Social: Read/listen through Chapter 8 of Soldier's Heart - Google Classroom

Stem: Naturally Disastrous - No Homework

Tech Literacy:

Krivinchuk Resource Reading:

Krivinchuk Resource Math:

Tuesday, April 14, 2026

Math: MCA Prep, Probability

Reading: Discuss 6 elements of a quality biography; partners work with physical books to find all 6 elements

Writing:

Science: AQI final day

Social: Read through CH 7 of Soldiers Heart & answer the question on Google Classroom->Classwork->CH8->"Chapter 7 Question....."

Stem: Naturally Disastrous - No Homework

Tech Literacy:

Krivinchuk Resource Reading: Riding to Survive Article. Vocab and Response WS.

Krivinchuk Resource Math: Module 5 Lesson 3. Probs 8-22

NOTE: Mr. K will be gone on Thursday and Friday. No new lessons. Reading will do Lexia and Math will do supplementary worksheets on ratios, decimals and rates.

Monday, April 13, 2026

Math: MCA Prep, Probability

Reading: Introduce biography project (LeBron James biography)

Writing:

Science:

Social: Soldier's Heart Cooperative Stations (*finish reflection for HW if not turned in today*)

Stem: Naturally Disastrous - No Homework

Tech Literacy:

Krivinchuk Resource Reading: Lexia Comprehension. No homework.

Krivinchuk Resource Math: Module 5 Lesson 2. Problems 7-18.

NOTE: Mr. K will be gone on Thursday and Friday. No new lessons. Reading will do Lexia and Math will do supplementary worksheets on ratios, decimals and rates.

Friday, April 10, 2026

Math: Powers (Amplify Chromebook Lesson)

Reading: Final Day of MCAs! Let's Go!

Writing:

Science: AQI around the world graph

Social: Soldier's Heart Chapter 6 - add to one-pager section 5 (finish missing assignments)

Stem: Typing Post-Test - If absent from class please see Mr. Bridges immediately on Monday to make up this test.

Tech Literacy:

Krivinchuk Resource Reading: MCA Testing

Krivinchuk Resource Math: Module 5 Lesson 2. Ratios. No Homework.

Thursday, April 9, 2026

Math: Lesson Practices in Amplify, 1st Hour flipped Wed and Thurs plans

Reading: MCAs

Writing:

Science: AQI, air quality index and graphing

Social: Finish reading through CH 5 in Soldiers Heart; start on One-pager sections 1,2,4,5

Stem: Typing Lessons - Due Tomorrow! (Friday, April 10th)

Tech Literacy:

Krivinchuk Resource Reading: MCA Testing

Krivinchuk Resource Math: Module 5 Lesson 2. Ratios. No Homework.

Wednesday, April 8, 2026

Math: Products and Sums (Amplify Chromebook Lesson)

Reading: MCAs

Writing:

Science: Work day

Social: Blooket on Foreword-CH 3 of Soldiers Heart; one-pager sections 1,2,4, started CH 5 (HW - listen through CH 5 if not caught up with the class)

Stem: Sewer Grate STEM Challenge - if absent from class there is no homework that needs to be made up

Tech Literacy:

Krivinchuk Resource Reading: MCA Testing

Krivinchuk Resource Math: MCA Math Prep

Tuesday, April 7, 2026

Math: Border Tiles (Amplify Chromebook Lesson)

Reading: MCAs

Writing:

Science: AQI, air quality index and graphing

Social: Soldier's Heart - Ch 3 & 4 (*read-alouds on Classroom*) and One-pager section 1, start section 4 (*check PS for missing work*)

Stem: Typing Lessons - Homework if falling behind on the lessons

Tech Literacy:

Krivinchuk Resource Reading: MCA Testing
Krivinchuk Resource Math: MCA Math Prep

Monday, April 6, 2026

Math: Vari-Apple (Amplify Chromebook Lesson)

Reading: MCA Student Readiness Tools Practice

Writing:

Science: AQI, air quality index and graphing

Social: Soldier's Heart - foreword, Ch 1 & 2 (*read-alouds on Classroom*)

Stem: Typing Lessons - Homework if falling behind on the lessons

Tech Literacy:

Krivinchuk Resource Reading: Lexia Comprehension. MCA Testing Review for the rest of the week.

Krivinchuk Resource Math: MCA Test Prep part 1 practice. Continue Dividing Fractions WS 1-20 from last Thursday if not done over the weekend.

Thursday, April 2, 2026

Math: Handing It Up (Amplify Chromebook Lesson)

Reading: Nonfiction reading, MCA Prep

Writing:

Science:

Social: Technology in the Civil War documentary

Stem: Typing Lessons - should be at least halfway through Unit 2: Advanced Keys and Punctuation

Tech Literacy:

Krivinchuk Resource Reading: Scholastic Reading - Can you see bias? Vocab and Summary WS.

Krivinchuk Resource Math: Dividing Fractions WS prob 1-20. Should be coming home as homework. ***NOTE: Next week will be MCA prep for math. No new work will be coming home.***

Wednesday, April 1, 2026

Math: Hanging Around (Amplify Chromebook Lesson)

Reading: Received Q4 IDR Bingo Board Challenge

Writing:

Science:

Social: First MN Volunteer Infantry Regiment Article & Worksheet (on Classroom)

Stem: Typing Shortcuts - homework if not completed in class

Tech Literacy:

Krivinchuk Resource Reading: Attack of the Killer Wasps. Paragraph WS.

Krivinchuk Resource Math: Module 5 PL 2. Problems 9-24

Tuesday, March 31, 2026

Math: Five Equations (Amplify Workbook Lesson)

Reading: Episode 1 of Percy Jackson - if desired, can work more on Myth Quest

Writing:

Science:

Social: Documentaries on Early Black MN History & The First MN Infantry to the Civil War; Map & Crossword - not HW (*finish yesterday's assignment if not turned in for HW*)

Stem: Typing Lessons - Should be completing the first module, if not, please complete Unit 1 has homework (Learn the Keys)

Tech Literacy:

Krivinchuk Resource Reading: Lexia Word Study. No Homework.

Krivinchuk Resource Math: Module 4 Test redo. Dividing Fractions practice. No homework.

Monday, March 30, 2026

Math: Weight for It (Amplify Chromebook Lesson)

Reading: Continue Myth Quests - turn in at end of the hour

Writing:

Science: Weather bingo boards and weather crossword

Social: Classroom -> Minnesotans in the Civil War activity (HW if not done)

Stem: Typing GimKit - No Homework if absent from class

Tech Literacy:

Krivinchuk Resource Reading: Lexia Comprehension. No Homework.

Krivinchuk Resource Math: Intro to Module 5: Dividing Fractions, Ratios, Proportions, Decimals and converting Decimals to Fractions/Fractions to Decimals. No Homework.

----- **END OF QUARTER 3** -----

Friday, March 20, 2026

Math:

Reading:

Writing:

Science:

Social:

Stem: Typing Lessons - Students got registered into the class, if not here please see Mr.Bridges as soon as possible to get into the lessons.

Tech Literacy:

Krivinchuk Resource Reading:

Krivinchuk Resource Math:

Thursday, March 19, 2026

Math: Quiz

Reading: Continued work on Myth Quests and Gods/Goddess team building worksheet; worksheets will be due the Monday after Spring Break

Writing:

Science:

Social: Civil War lesson & discussion, finish Doodle Notes, check Power School & finish up SS work for end of quarter

Stem: Typing Lessons - Students got registered into the class, if not here please see Mr.Bridges as soon as possible to get into the lessons.

Tech Literacy:

Krivinchuk Resource Reading:

Krivinchuk Resource Math:

Wednesday, March 18, 2026

Math: Lesson Practices, Mr. Perala was out sick

Reading: Continued work on Myth Quests and Gods/Goddess team building worksheet

Writing:

Science:

Social: Civil War Doodle Notes sheet with slides in Classroom

Stem: Typing Pre-Test - Homework if not completed in class

Tech Literacy:

Krivinchuk Resource Reading:

Krivinchuk Resource Math:

Tuesday, March 17, 2026

Math: Quiz Review, Quiz tomorrow

Reading: Final Presentations in some classes / Begin short Greek Mythology Unit with a Myth Quest where students build their team of Gods/Goddesses based on quotes from the text

Writing:

Science:

Social: Legacy of the US-Dakota War; Quiz on Perspectives; Broken Promises Webquest & Question to answer on Classroom

Stem: Engineering Design Process - Step 5: Share (Due by Friday @ 3pm when the quarter ends, please make sure you complete this final assignment before the end of the quarter)

Tech Literacy:

Krivinchuk Resource Reading: Scholastic Reading. The Bone Hunter. Work Sheets on Vocab, Sequencing, and short answer Pause and Think.

Subs the rest of the week. Lexia work. Weds - Comp; Thurs - Word Study; Fri - WIN

Krivinchuk Resource Math: Module 4 Test

Subs the rest of the week. Makeup work - list provided to sub and listed in Power School.

When all Module Lessons are done, skill enhancement work sheets will be given.

Monday, March 16, 2026

Math: Multiplication Methods (Amplify Workbook Lesson), Quiz Wednesday

Reading: Presentations

Writing:

Science:

Social: Share group summary & perspective discussion (*turn in Perspective Analysis with reflection complete*)

Stem: Naked Egg Drop Day!

Tech Literacy:

Krivinchuk Resource Reading: Scholastic Reading. The Glowing Girls. Vocab and Making Inferences worksheets.

Krivinchuk Resource Math: Module 4. Lesson 15. Problems 6-16. TEST Module 4

Friday, March 13, 2026 - NO SCHOOL - SNOW DAY

Thursday, March 12, 2026

Math: Finished Multiplying with Area from Thursday

Reading: Check in with groups, presentations

Writing:

Science:

Social: Finish Analysis sheet & group summary to share tomorrow

Stem: FINAL Naked Egg Drop Build Day - Please complete steps 1-3 on the Engineering Design Process if you have not already done so.

Tech Literacy:

Krivinchuk Resource Reading: Lexia - WIN.

Krivinchuk Resource Math: Module 4 Lesson 14 Review. Probs 6-16 & Check Up 1-4. TEST ON TUESDAY!

NOTE: I will be out at a Training on Wednesday and gone the rest of next week. There will be a sub. Your student has been made aware already. The quarter ends on Friday so they will have no new instruction.

Wednesday March 11, 2026

Math: Multiplying with Area (Amplify Chromebook Lesson)

Reading: Mrs. Mogen gone - students read a debate on whether or not parents should post about them on their social media 😊

Writing:

Science:

Social: Group primary source analysis - read & discuss

Stem: Naked Egg Drop Build Day - Please complete steps 1-3 on the Engineering Design Process if you have not already done so.

Tech Literacy:

Krivinchuk Resource Reading: Scholastic Reading - Focus up. Vocab, Central Idea and content quiz.

Krivinchuk Resource Math: Module 4 Lesson 14. No homework. TEST ON TUESDAY

Tuesday, March 10, 2026

Math: Lesson practices in Amplify

Reading: Projects are due today (all hours except 2nd hr); Students have half the hour to practice presenting and edit/finalize projects; 2 groups will present every hour projects are due

Writing:

Science:

Social: Analyze Perspectives discussion - US Dakota War: set-up for activity tomorrow (CH9 comprehension worksheets from previous days are HW if not turned in)

Stem: Multiplication Coloring Page - Homework if not completed in class.

Tech Literacy:

Krivinchuk Resource Reading: Lexia Word Study. No Homework.

Krivinchuk Resource Math: Module 4 Lesson 13. Problems 7-19.

Monday, March 09, 2026

Math: Garden Arrangements (Amplify Workbook Lesson)

Reading: Project work day

Writing:

Science: Weather journal, BrainPop- water cycle, questions, vocab

Social: Lesson on Aftermath of the War; Finish CH 9 comprehension pages with teacher support & feedback - Map page due today & Tensions Rising tomorrow (1st & 2nd hours have an extra day due to late start)

Stem: Naked Egg Drop Build Day - Please complete steps 1-3 on the Engineering Design Process if you have not already done so.

Tech Literacy:

Krivinchuk Resource Reading: Lexia Comprehension.

Krivinchuk Resource Math: Review Module 4 Lesson 12 - Graphing Inequalities. NO homework.

Friday, March 06, 2026

Math:

Reading: Project work day

Writing:

Science: Welcome to Earth episode 1. Viewing guide notes 1-10.

Social: Work day on worksheet pages 3 & 4 - from War & Aftermath sections in the book

Stem: Naked Egg Drop Build Day - Please complete steps 1-3 on the Engineering Design Process if you have not already done so.

Tech Literacy:

Krivinchuk Resource Reading:

Krivinchuk Resource Math:

Thursday, March 05, 2026

Math: Decimal Multiplication (Amplify Chromebook Lesson)

Reading: Final meeting for Lit Circles (books + specific group assignments were due); what was left of the hour was work time on the projects

Writing:

Science: Weather Scavenger Hunt, turn in and check Weather or Not

Social: Discussion on US-Dakota war events & video; finish & turn in [Map Studies worksheet](#) and page 1 of [CH 9 comprehension](#) sheets in complete sentences (HW if not completed)

Stem: Engineering Design Process - Step 3: Design. If not in class please complete as homework

Tech Literacy:

Krivinchuk Resource Reading: Lexia - WIN Day. No Homework.

Krivinchuk Resource Math: Module 4 Lesson 12. Graphing Inequalities. Prob 8-20

Wednesday, March 04, 2026

Math: Missing Digits (Amplify Chromebook Lesson)

Reading: Project work day

Writing:

Science: Weather journal, Weather or Not page

Social: Read pages 178-187 (9.13-9.23) & fill out event details on the [Map Studies worksheet](#) (finish for HW if not done in class)

Stem: Engineering Design Process - Step 2: Brainstorm. If not in class please complete as homework

Tech Literacy:

Krivinchuk Resource Reading: Should Snacks Have Warning Labels - Read article. WS to answer questions and vocab.

Krivinchuk Resource Math: Module 4 Mid Mod Quiz

Tuesday, March 03, 2026

Math: 6.5.02 and 6.5.03 Lesson Practices

Reading: Continued discussion of projects, including templates and brainstorm sheets (see Friday's link); students had time to work with their group to make decisions and read their books in class to prepare for the last Lit Circle meeting on Thurs

Writing:

Science: Weather journal, Weather or Not page

Social: Work Day- read pgs 170-177 (9.01-9.13 top), [worksheet](#) pg 1 & top of 2: Tensions Rising; finish [Packing For MN Sheet](#) (items, points & reasons); Check Power School, Ch 6 Online Test released

Stem: Engineering Design Process - Step 1: Identify. If not in class please complete as homework
