IV. EXERCISING YOUR RIGHTS

For the personal data we store and access you are entitled to address us regarding the following issues:

- **Data Access and Portability.** You can request copies of your personal information held by us.
- **Change or Correct Data.** Where you cannot update data by yourself through your account, you have the right to ask us to correct, change, update or rectify your data.
- **Data Retention and Deletion.** We generally retain data for as long as your account is in existence or as it is needed to provide services of S1 & S2 Speaker Controller App. However, specific retention times can vary based on the context of the processing we perform and on our legal obligations. You have the right to ask us to delete all or some of the personal data we hold about you. If you have an account, you can also delete your account at any time. We may need to retain some of your personal data even after you have closed your account if reasonably necessary to comply with our legal obligations, or where we have a legitimate interest in doing so (e.g. to prevent fraud and abuse and maintain and enhance security).
- **Restriction of Processing.** Under certain circumstances, you may have the right to limit the ways in which we use your personal information.

Please bear in mind that we ensure the above mentioned rights only with respect to the information that you submit.

V. SECURITY

The security of your personal information is highly important to us. We follow generally accepted industry standards to protect the personal information submitted to us, both during transmission and once we receive it.

We take reasonable and appropriate measures to protect personal information from loss, misuse and unauthorized access, disclosure, alteration and destruction, taking into account the risks involved in the processing and the nature of the personal information.

We implement appropriate technical and organizational measures, which are designed to implement data-protection principles, such as data minimization, in an effective manner and to integrate the necessary safeguards into the processing. We seek your personal data to be encrypted with proper and strong encryption algorithms, including hashing where possible.

Unfortunately, no method of transmission over the Internet, or method of electronic storage, is 100% secure. We do our best to protect your personal data, nevertheless, we cannot guarantee its absolute security. In the event that your personal information is compromised as a breach of security, we will promptly notify you in compliance with applicable law.

VI. CHILDREN'S PRIVACY

S1 & S2 Speaker Controller App is not intended for children under the age of 18. Therefore, we do not knowingly collect or solicit any personal information from children under 18. No one under age 18 may provide any personal information to S1 & S2 Speaker Controller App. If you are under 18, do not use or provide any information on S1 & S2 Speaker Controller App or through any of its features. Do not provide any information about yourself, including your email address. If we learn that we have collected personal information from a child under age 18 without verification of parental consent, we will erase that information as quickly as possible. If you believe that we might have any information from or about a child under 18, please contact us.

VII. CHANGES TO THE PRIVACY POLICY

This Privacy policy will be regularly updated.

Whenever we change this Privacy policy, we will post those changes to this Privacy policy and other places that we consider appropriate. Additional forms of notice of modifications or updates as appropriate under the circumstances may be provided to you.
