

From the President's Desk:

It's hard to believe that the 2020-2021 school year is almost over. EHEA VP Shawn Quinn likes to count the days down by the number of 'wake-ups'. (as of this newsletter we're around 35 more wake-ups)

It felt like this year was non-stop since last June when we had our first district building reopening committee meetings. Throughout the year, there were so many in-person, Zoom, and Google meetings reviewing updates from the Governor, the State Board of Education, local Board of Education, district administration, not to mention too numerous to count CEA meetings and separate meetings featuring a coalition of unions including CEA, AFT, SEIU, UAW, SEBAC, CSEA, CEUI, and MEUI.

Throughout it all, while there were many, many challenges, and adjustments along the way, with our hard work, determination, and continued support for each other, we got through. I can't think of another year where we needed to work together as a united EHEA more than this.

As Teacher Appreciation Week (May 3-7) and our TAP ceremony (May 20) approaches, I want to personally thank every EHEA member for the incredible job you put forth on a daily basis. I hope to see many of you at the TAP ceremony, and look forward to continue representing an amazing EHEA.

Stay safe!

Neil

President

EHEA
