

## Solidarity Forever - in G

First note: D, 3rd string from bottom

When the [G] union's inspiration through the workers' blood shall run,  
There can [C] be no power greater any-[G]-where beneath the [D] sun;  
Yet what [G] force on earth is weaker than the [Em] feeble strength of one,  
But the [Am] union [D7] makes us [G] strong.

*[Chorus]*

[G] Solidarity forever, [C] Solidarity for-[G]-ever,  
[G] Solidarity for-[Em]-ever, For the [Am] union [D7] makes us [G] strong.

Is there [G] aught we hold in common with the greedy parasite,  
Who would [C] lash us into serfdom and would [G] crush us with his [D] might?  
Is there [G] anything left to us but to [Em] organize and fight?  
For the [Am] union [D7] makes us [G] strong. *[Chorus]*

They have [G] taken untold millions that they never toiled to earn,  
But with-[C]-out our brain and muscle not a [G] single wheel can [D] turn.  
We can [G] break their haughty power, gain our [Em] freedom when we learn  
That the [Am] union [D7] makes us [G] strong.

In our [G] hands is placed a power greater than their hoarded gold,  
Greater [C] than the might of armies, magni-[G]-fied a thousand-[D]-fold.  
We can [G] bring to birth a new world from the [Em] ashes of the old  
For the [Am] union [D7] makes us [G] strong. *[Chorus]*

For the [Dm] union [F] makes [G7] us [C] strong. *[Chorus]*

Extra verses:

*G*  
It is we who plowed the prairies; built the cities where they trade;  
*C* *G* *D*  
Dug the mines and built the workshops, endless miles of railroad laid;  
*G* *Em*  
Now we stand outcast and starving midst the wonders we have made;  
*Am D7 G*  
But the union makes us strong. [*Chorus*]

*G*  
All the world that's owned by idle drones is ours and ours alone.  
*C* *G* *D*  
We have laid the wide foundations; built it skyward stone by stone.  
*G* *Em*  
It is ours, not to slave in, but to master and to own.  
*Am D7 G*  
While the union makes us strong.
