8th Grade Band Supplies

To make it easier to acquire all required equipment, we have created a way to get everything you need all at once. We have pre-ordered the correct items for each instrument through Palen Music Center. After choosing which items you need from our order form, Palen Music will deliver these items to your child's band class.

On the order form on the other side of this sheet, you will find your student's designated instrument and you can choose the items that you need. Some items are required and some are not.

Required:

- Band Binder Fee (includes binder, page protectors, pencil pouch, pencils, and music)
- Stillwater Band t-shirt (uniform for 8th grade night performance)
- Book - Foundations for Superior Performance - King/Williams
- lyres/flip folders

Highly encouraged (especially for Symphonic Band):

- Electronic tuner/microphone with clip-on microphone. Brass and woodwind students will use this every day in class.
- Trumpet mute (This will be needed later in the school year. All trumpet players will use mutes frequently throughout junior high and high school. If you'd like to go ahead and purchase it now, it is available to you.)

Miscellaneous Information:

- You are welcome to find your required items (flip folder, lyre, etc) through other means. Please know that the band program is not making any money off of these orders. These prices are comparable to anything you can find from other vendors, and in most cases, they are better. We are just trying to make it easier for you! If you find an item at a lower price online, it could possibly be a lower quality or a type that may not work for your child's equipment. Please email me if you are unsure about an item you are considering purchasing, or if you have any other questions.
- Many students have tuners on their cell phones (this is great for at-home use!), but this will not be allowed in class in order to adhere to the SJHS cell phone policy.
- Please remember that your band binder should be used for band class *only*.
- Double Reed players: If you know for sure which instrument you want to play in high school marching band, you may go ahead and purchase the lyre for that instrument. If you are unsure, you can choose one for this year, and I will loan a lyre to you.
- Please do not hesitate to reach out to Ms. Perkins about setting up a payment plan if needed.
