

Semi-Private Tennis Lessons 2024 (Year 7 to 12)

Summary of the Program

A Semi-Private tennis lesson allows students to learn and develop their tennis with a friend or a student of similar ability and age. The low coach to student ratio enables the coach to fast-track player's technical development in a fun environment.

Please note:

You MUST indicate your daughter's training partner. The responsibility of finding a suitable training partner lies with the parent/carer. If you are unable to find a suitable partner, you must register for a Private Tennis Lesson as a partner will not be sourced for you. Your indicated partner must also be registered for Semi Private Tennis Lessons.
