CREATION OF A SHADOW "GOD"

what i saw in thou thot
was a crazed want
to talk
and speak of thy 7prisms "lamps"
locked up in thy SABBATH
A CREATURE WITH A THOUSAND EYES
GEOMETRICALLY STANDS GUARD
& WARNS GOD OF COMPROMISES
4 THESE HANEIST BEINGS EXIST
AS LOST CREATIONS OF YHWH "GOD"
DANCING AND SINGING EVERY TWINE
CONCENTRATING YE'SOUND
UPON THA LAMPS & BENDING THEM
INTO SETO SPACE "LIMBO" PURGATORY
THIS CREATURE OF A THOUSAND EYEZ
FOCUSES YE'SOUND & SIGHT
DIRECTLY AT THEE' 7PRISMS "LAMPS"

holy holy holy
GOD
ALMIGHTy
holy holy holy
GOD
ALMIGHTY
holy holy holy
GOD
ALMIGHTY

THIS ASTONISHING CREATURE
IS SAID TO BE CREATED
WITH A PURPOSE
PREVENTING & BENDING
ANY GRAVITY
FROM EXISTING AROUND DA LAMPS
FOR THESE EVIL VANQESHES
CREATED IN FINAL DOOM BY "GOD"
ARE THY MOST WICKET BEINGS
TO EXIST TRILLIONS OF TRILLIONS
OF PERIODS AGO
LUCIFER & ARCH-ANGEL SAMUEL
THEE TWIN SERPENTZ
WERE NOT BORN YET
AS THY LORDZ LEFT & RIGHT HANDS
DURING THY XENO ERA "CREATIONS"
BEFORE THY ANGELIC ERA
OF FIRST BORN ANGELS & ANGELICAS

THY INTELLIGENT DESIGNER
& OMNIPOTENT ONE
WAS AT ONE KNOWN AS "GOD"
A SELF AWARE BEING THAT BEGAN EXISTENCE AS A SELF CREATION
SUM HOW A SOUND WAS THY FIRST EXISTANT SIGN OF LIFE
IN THE BEGINNING WAS THE SOUND
NOT A WORD
NO SUCH THING AS LANGUAGE
OR PHYSICAL BEING
TO HAVE A BODY AT FIRST
THY SOUND SOON BECAME A SHADOW TO ITS ECHO
THIS SHADOW WAS THA FIRST
BLACK VOID OF A SPHERE
NOT A PERSONS SHAPE

SOUNDS BARELY MADE ITZ VIBRATION
THA TINY CLICKS AND BEEPS
WERE BARELY THERE BUT THERE
AS LOW AS SOUND GOES
3SOUNDS MADE A TRIANGLE WHITE
THEN FOUR MADE A SQAURE GREY
SOON AFTER 8MORE FORMED ITZ CUSP
xxxxxxxxxA SHADOWxxxxxxxxx

OF GEOMETRIC SOUNDS
SUCH A EXISTENT SAGA
OF NO SPOKEN LANGUAGE
BUT SACRED SOUNDS
LIKE AN ECHO
THAT WAS MADE FROM SOUND
AND NOT "MATTER" FROM NOTHING
IMPLOSION OF SOUNDS BREAK
THEE' VOID N2 INFINITY
THA FIRST NETHER REALM
A OZONE LAYER OF SHADOWS
COVERED ITZ RIVER OF LIFE
FOREIGN TO THY VOID OF A SHADE
SLOWLY GETTING LOUDER
AND TWINNING PROUDER
A EMOITON
WAS INVOLUNTARILY CREATED
BY A NEW GREY MATTER
FLATTERING ITS SELF
AS THEe' MUTE WOULD SEE
TO NO SIGHT BUT CONCIOUSNESS

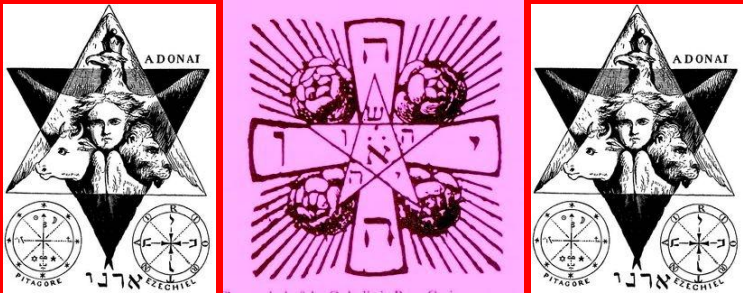

ALL WAS BECOMING WARM SUDDENLY
AND GROWING LIKE A BACTERIA
TO TUNES OF SOUNDS & FEELINGS
SELF CREATED A MILLENNIA
OR EVEN FARTHER AGO
AS THY SHADOW BEGINS
TO GROW MORE
& BEYOND ITZ SCORE
ALL WAS GOOD NOR EVIL
BUT EQAUL TO ITZ MADDNESS
AND CHAOS
SWIRLING PATTERNS OF SOUNDS
AND NEWLY CREATED SPECTRUMS
"GOD" HAD NO WORDS BUT SOUND
NATURAL SOUGHT
TO CONTINUE AS IT SOUNDS
IN THY BEGINNING OF NO TIME
JUST SPACE & CONFUSION
2 ITZ EVER GROWING SHADOW
THIS WAS CONCLUDED
& KNOWN AS A XENO PERIOD
THE' CREATION OF "GOD"
CHAOS FEAR & MADDNESS REIGN
THIS REALM WAS CREATED
BY THEE' FIRST REALMS OF CHAOS

AND SO ON WITH FEAR
IT CREATES ANOTHER REALM
AFTER REALM IN MADDNESS
AND EACH REALM IS DIFFERENT
DUE TO WHAT IS FELT BY GOD HIMSELF
AS "GOD" YHVH MUTATES SOUND
NEWLY CREATED VOWELS
THAT SOUND DIFFERENT ARE CREAT3D
TO THAT WELL OF A LOT THAT LOTZ
THUS A NEW BEGINNING
TO THIS SELF CREATED SHADOW
BEGINS TO SUDDENLY MUTATED
INTO A GERM LIKE STAGE
THUS A LIQUEDATED SUBSTANCE
FORMS A BUBBLE OF SPACE
FROM A SHADOW VOID OF DARKNESS
SEPARATING LIGHTNESS N2 DARKNESS
DARKNESS ON TO LIGHTNESS
THEN SUDDENLY THEE' LIGHT & DARK
ARE SEPERATED FROM GOD HIMSELF
CASTING OUT YE'MAJESTY'S SHADOW
SHAPING THY 7'SHAMAWATTS
KNOWN AS "HEAVENS" OR GALAXIES
GOD'S BEGINNING & CREATIONS
HAS NO TIME PERIOD
TO MEASURE ITZ MOMENTS & ENDS
THUS IT HAS BEEN SPAWNED 2LIVE
RELEVANT 2EXIST
N2 ITZ EXISTENCE AS EXISTENCE EXIST
AND Yee~SHALL BE NEWLY AWARE
THY OMNIPOTENT ONE IS A BEING
A SHADOW CASTS OUT
TO HOLD THY GRAVITY
ON TO NO SPACE & TIME
BUT CREATING A NEW ABYSS
FOR "GOD"
TO BEGIN LEARNING
HOW TO SPEAK A SOUND AS A WORD
UNDERSTANDING THINE'SELF
BY WORD AND NOT RANDOM SOUNDS
WHAT AWAITS IS UNKNOWN FOR "GOD"
SEVEN REIGNS OF HEAVENS
^^^^^^^^^^"GALAXIES"^^^^^^^^^^
ARE UNIQUELY DIFFERENT
FROM ONE ANOTHERS
GALACTIC REIGN

KNOWN AS OUR UNIVERSE
7#SELF CREATED BEINGS
WERE CASTED OUT OF GOD
DURING THIS XENO PERIOD
EACH ONE OF THEM
WERE ONCE APART OF "GOD"
AS A WHOLE & NOT PRISMED AWAY
7#LAMPS EXIST IN THEE'SABBATH
*****AS PUNISHMENT*****
UN-IMAGINABLE 2HELL ITZ SELF
TO UPHOLD POWER & CONTROL
THE SHRINE OF ALPHA & OMEGA
WAS MADE BY YHVH "GOD"
JUST INCASE IF ALL 7#PRISMS BROKE
AND ALL 7#ELOHEMS FORMED N2 ONE
OVER TAKING "GOD" HIMSELF
AS KARMA & COMPERMISE
2B SACRED IN THY HOUSE OF HOLIES
GOD MUST NEGATE THESE ELOHEMS
BY PLACING ALL 7 OF HIS SELFS "*****ELOHEM*****"
UNDER RESTRICTED GRAVITY
.....1.....2.....3.....4.....5.....6.....7.....
HUNDRED TRILLION DEGREES AGO
"GOD" CREATED THEE'SELF IN XENO
THERE IT WAS CREATED & CASTED OUT
EACH ELOHEM HAS A DISTINCT SOUND
FORGED FROM EACH NETHER REALM
MONITORED BY YHVH "GOD" YHWH
^^HOLY HOLY HOLY GOD ALMIGHTY^^

Diana! Diana! Diana!
Queen of all enchantresses
And of the dark night,
And of all nature,
Of the stars and of the moon,
And of all fate or fortune!
Thou who rulest the tide,
Who shinest by night on the sea,
Casting Moon light upon the waters;
Thou who art mistress of the mourning
In thy boat made like a crescent star,
Venus moon-bark brightly gleam,
Ever smiling high in heaven,
Sailing to thy earth, reflected

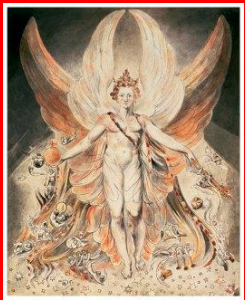

was the light of beauty & illuminations

And when Diana saw that the light
was so beautiful,
the light which was her other half,
her brother Lucifer,
she yearned for it
with exceeding great desire
Wishing to receive the light again
into her darkness,
to swallow it up in rapture,
in delight, she trembled with desire.
This desire was thy breaking Dawn
Upon da light of ye'dearist mourning star

But Lucifer, the light, fled from her,
and would not yield to her wishes;
he was the light
which deems
into the most distant parts of thy heavens
the mourning star
which gives light into darkness
from itz shadow of death

Then Diana
Confined to the fathers of the Beginning,
to the mothers,

the spirits
who were before the first spirit,
and lamented unto them
that she could not prevail with Lucifer
And they praised her for her courage,
they told her that to rise she must fall;
to become the chief of all goddesses
she must become a mortal women

And in the ages,
in the course of time,
when the earth was made,
Diana went to earth,
as da fallen were exiled with Lucifer
from ye' 3rd Kingdom of Heaven "VENUS"

Diana prevailed with the cat
to change forms with her,
so she lay with her brother,
and in the darkness assumed
her own form,
and so by Lucifer
became the mother
of Aradia
and by Diana
Lucifer became a Father
to a Daughter
thy brightest Darling of Lucifer's Light
consumed by Diana's Oblation 2his Light
when in the morning
he found that he lay by his sister,
and that light had been conquered
by darkness,
Lucifer was extremely angry & ashamed;
but Diana sang to him a romantic gift ,

a song of power,
and he was smitten,
the song of the night
which soothes a erection;
he could say nothing
So Diana with her wiles of wicceCraft
so charmed him
that he yielded to her sexual actz
This was the first seduction of consent,
she hummed the song,
it was as the buzzing 2 sensations
(or a affection towards sexual acts)
a spinning-orgasim throbbing life
She spun the sex organ into erections;
all touch from her was lust
from the vigina of Da Serpent Saint

Diana

greatly loved her brother Lucifer,
the god of the Sun and of the Moon,
the god of Light (Splendor),
who was so proud of his beauty,
and who for his pride
was driven from Paradise.

Lucifer means "light bearer" and "morning star." In pre-Christian mythology, he is called Shahar, Helel and Eosphoros or "dawn bearer." He is not the "fallen angel" or a name for the devil but the morning aspect of the planet Venus. Venus is also personified as a goddess, called Aphrodite in Greek. There is no need to fear Lucifer/Venus.

Diana had by, her brother a daughter,

to whom they gave the name of Aradia<3

In those degrees they were on new earth
many rich and many poor

The rich made slaves of all the poor

In those days were many slaves
who were cruelly treated;
in every palace tortures,
in every castle prisoners.

Many slaves escaped
They fled to the country;
thus they became thieves and evil folk
Instead of sleeping by night,
they plotted escape
and robbed their masters,
and then slew them
So they dwelt in the mountains
and forests as murderer robbers

ΔPsychopathic SchizophrenicΔ

all to avoid slavery

Diana said one day
to her daughter Aradia:

Tis true indeed that thou a spirit art,
But thou wert born but to become again
A mortal; thou must go to earth below
To be a teacher unto women and demi's
Who fain would study wicca'craft

in thy school of mystery's

Yet like Cain's daughter
thou shalt never be dat Breed
Nor like the race of raped seedz
who have become at last
Wicked and infamous from suffering,
As are the Hebrews
and the wandering Zingari,
Who are all thieves and knaves;
like unto them
Ye shall not be....

And thou shalt be
the first of shadow prestist known;
And thou shalt be the first of all
Shall i' the world and everything in it;
And thou shalt teach the art of poisoning,
To chemically mix Substances together
and create a tactic of chemical warefare
Unto those who are great lords of all;
Yea, thou shalt make them die
in their palaces;
And thou shalt bind thee' oppressor's
With dark energy

spiritual level of;1000000°fold
And when ye` find a peasant who is rich,
Then ye shall teach the witch wizardry,
your pupils & squires,
●○○●how○○●●
To ruin all da Kings crops
with tempests dire,
invoking lightning with thunder "lotus rod"
(a very terrible terror to impose fear),
And the hall of winds....

Thus when a priest shall do you threat
By his benedictions, ye shall do to his
Double the harm, and do it in the name
Of me, Diana, !!!Queen of Da Serpentz!!!

And when the priests or the nobility
Shall say to you
that you should put your faith
In the Father, Son, and Holy Spirit, then reply:
"Your God"
the Father,
the Son,
&

Thee` Holy Spirit

And toll in wretchedness, and suffer too
Full of imprisonment; yet with it all
Ye have a soul, and for your sufferings
Ye shall be happy in the other world,
But ill the fate of all who do ye wrong!"

Now when Aradia had been taught,
taught to work all white magik & black magik
and how to destroy the evil race
(of oppressors)
she
(imparted it to her pupils & squires)
and said unto them:

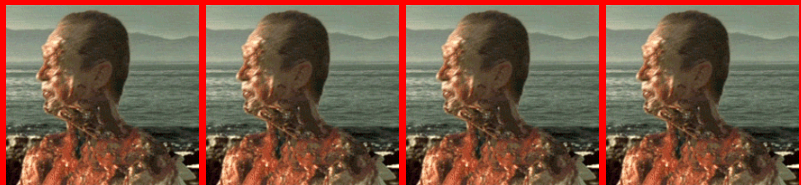

When I shall have departed from this world,

for i too have a will to decide  
what is right and what is wrong  
what does a fruit of wisdom have?  
that i dont already proceed as my will being ,said eve  
suddenly lucifer becomes brighter with pure fire  
eve says to her self,  
he is made of fire  
then lucifer said,  
for thy thought of what to say darling  
u are such a wonder  
tha greatiest acheivement isnt adam

of who is tha most tied to YHVH

ONCE UPON A TWINE OF A TWINE
LONG AGO DURING A ROMANTIC CRIME OF ANCEINT TIMES
She & He who are rulers of an unnamed city-state
to a democratic kingdom
of separate authorities in each city-state territory
but blessed as one kingdom to that mythical country
thy emperor & empress to that city-state
had three daughters of conspicuous beauty.
The youngest and most beautiful was Psyche,
whose admirers,
neglecting the proper worship of the love goddess Venus,
instead prayed and made offerings to her.
It was rumored that she was the second coming of Venus,
or the daughter of Venus from an unseemly union
between the goddess and a mortal.
Venus was offended,
and commissions Cupid to work her revenge.
Cupid is sent to shoot Psyche with an arrow
so that she may fall in love with something hideous.

He instead scratches himself with his own arrow of love,
which makes any living thing
fall in love with the first thing it sees.
Consequently, he falls deeply in love with Psyche
and disobeys his mother's order.

Although her two humanly beautiful sisters have married,
the idolized Psyche has yet to find love.

Her father suspects that they have incurred the wrath of the gods,
and consults the oracle of Apollo.

The response is unsettling:
the king is to expect no human son-in-law,
but rather a dragon-like creature
who harasses the world with fire and iron
and is feared by even Jupiter
and the inhabitants of the underworld.

Psyche is arrayed in funeral attire,
conveyed by a procession to the peak of a rocky crag,
and exposed.

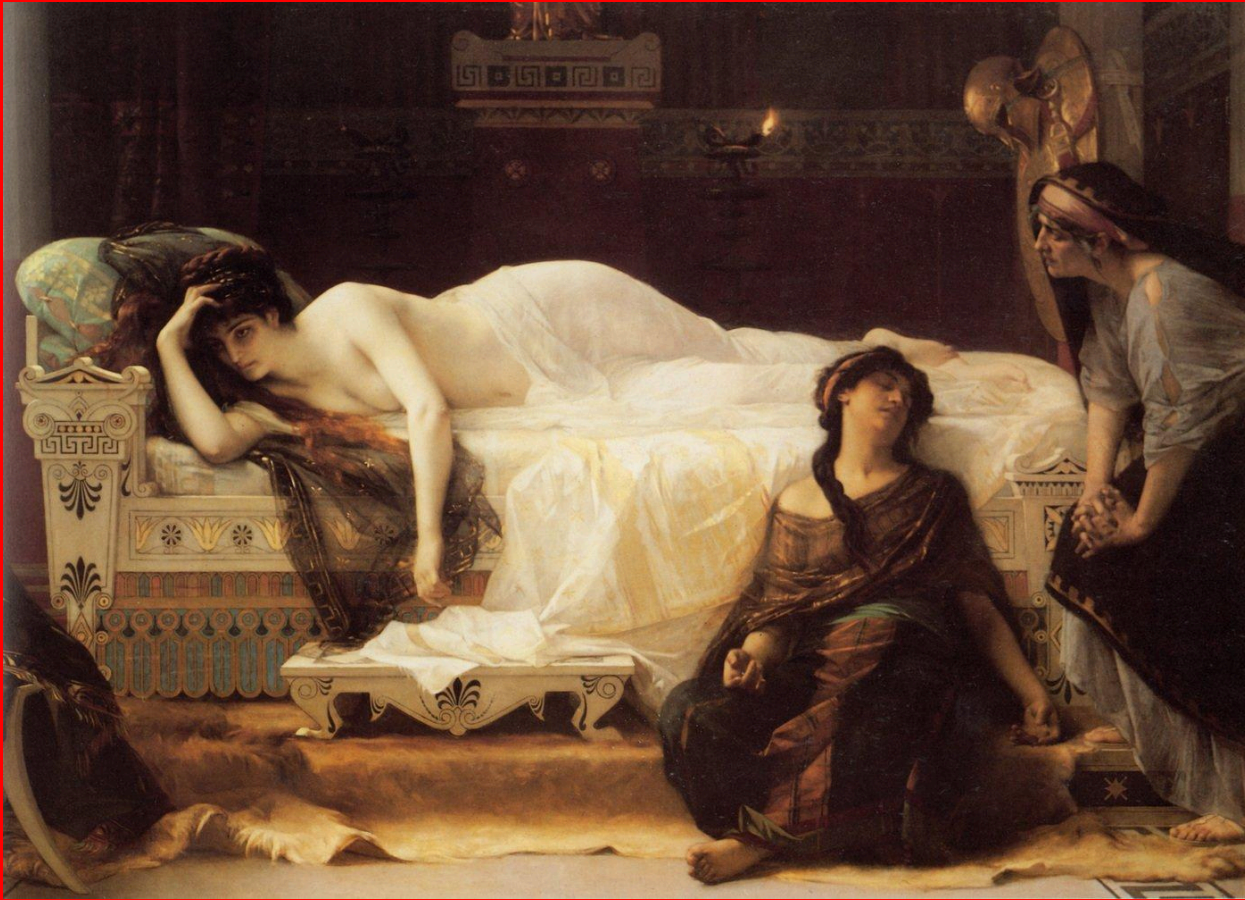

Marriage and death are merged into a single rite of passage,
a "transition to the unknown".

Zephyrus the West Wind bears her up to meet her fated match,
and deposits her in a lovely meadow (locus amoenus),
where she promptly falls asleep.

The transported girl awakes to find herself
at the edge of a cultivated grove (lucus).

Exploring, she finds a marvelous house with golden columns,
a carved ceiling of citrus wood and ivory,
silver walls embossed with wild and domesticated animals,
and jeweled mosaic floors.

A disembodied voice tells her to make herself comfortable,
and she is entertained at a feast that serves itself
and by singing to an invisible lyre.

Although fearful and without the proper experience,
 she allows herself to be guided to a bedroom,
 where in the darkness a cupid she cannot see
 has demi-sex with her by natural consent & sexual want
 She gradually learns to look forward to his visits & demi-sex
 though he always departs before sunrise
 and forbids her to look upon him.
 Soon, she becomes pregnant.

Violation of trust

Psyche's family longs for news of her,
 and after much cajoling,
 Cupid, still unknown to his bride,
 permits Zephyr to carry her sisters up for a visit.
 When they see the splendor in which Psyche lives
 , they become envious,
 and undermine her happiness

by prodding her to uncover her husband's true identity,
since surely as foretold by the oracle
she was lying with the vile winged serpent,
who would devour her and her child.
but to the prophesy is a lie
she told of her being endanger of thy father

One night after Cupid falls asleep,
Psyche carries out the plan her sisters devised:
she brings out a dagger
and a lamp she had hidden in the room,
in order to see and kill the monster.
But when the light instead reveals
the most beautiful creature she has ever seen,
she is so startled that she wounds herself
on one of the arrows in Cupid's cast-aside quiver.
Struck with a feverish passion,
she spills hot oil from the lamp and wakes him.
He flees, and though she tries to pursue,
he flies away and leaves her on the bank of a river.

There she is discovered by the wilderness god Pan,
who recognizes the signs of passion upon her.
She acknowledges his divinity (numen),
then begins to wander the earth looking for her lost love.

Psyche visits first one sister,
then the other; both are seized with renewed envy
upon learning the identity of Psyche's secret husband.
Each sister attempts to offer herself as a replacement

by climbing the rocky crag
and casting herself upon Zephyr for conveyance,
but instead is allowed to fall to a brutal death.

In the course of her wanderings,
Psyche comes upon a shrine of Ceres,
and inside finds a disorder of grain offerings,
garlands, and agricultural implements.
Recognizing that the proper cultivation of the gods
should not be neglected,
she puts everything in good order,
prompting a theophany of Ceres herself.
Although Psyche prays for her aid,
and Ceres acknowledges that she deserves it,
the goddess is prohibited from helping her
against a fellow goddess.
A similar incident occurs at a shrine of Juno.
Psyche realizes that she must serve Venus herself.

Venus revels in having the girl under her power,
and turns Psyche over to her two handmaids,
Worry and Sadness, to be whipped and tortured.
Venus tears her clothes and bashes her head into the ground,
and mocks her for conceiving a child in a sham marriage.
The goddess then throws before her
a great mass of mixed wheat, barley, poppyseed,
chickpeas, lentils, and beans,
demanding that she sort them into separate heaps by dawn.
But when Venus withdraws to attend a wedding feast,
a kind ant takes pity on Psyche,
and assembles a fleet of insects to accomplish the task.
Venus is furious when she returns drunk from the feast,
and only tosses Psyche a crust of bread.
At this point in the twine cry for love to meet its might,
it is revealed that Cupid is also in the house of Venus,
languishing from his injury.

At dawn, Venus sets a second task for Psyche.
She is to cross a river and fetch golden wool from violent sheep
who graze on the other side. These sheep are elsewhere
identified as belonging to the Helios.
Psyche's only intention is to drown herself on the way,
but instead she is saved by instructions from a divinely inspired reed,
of the type used to make musical instruments,
and gathers the wool caught on briers.

For Psyche's third task,
she is given a crystal vessel in which to collect the black water
spewed by the source of the rivers Styx and Cocytus.
Climbing the cliff from which it issues,
she is daunted by the foreboding air of the place
and dragos slithering through the rocks, and falls into despair.
Jupiter himself takes pity on her,
and sends his eagle to battle the dragons
and retrieve the water for her.

Psyche and thy Kingdom of Hell
The last trial Venus imposes on Psyche
is a quest to the underworld itself.

She is to take a box (pyxis)
and obtain in it a dose of the beauty of Proserpina,
queen of the underworld.
Venus claims her own beauty
has faded through tending her ailing son,
and she needs this remedy
in order to attend the theatre of the gods (theatrum deorum).

Once again despairing of her task,
Psyche climbs a tower, planning to throw herself off.
The tower, however, suddenly breaks into speech,
and advises her to travel to Lacedaemon, Greece,
and to seek out the place called Taenarus,
where she will find the entrance to the underworld.
The tower offers instructions for navigating the underworld:

The airway of Dis is there,
and through the yawning gates the pathless route is revealed.
Once you cross the threshold,
you are committed to the unswerving course
that takes you to the very Regia of Orcus.
But you shouldn't go emptyhanded through the shadows past this point,
but rather carry cakes of honeyed barley in both hands,
and transport two coins in your mouth.

The speaking tower warns her to maintain silence
as she passes by several ominous figures:
a lame man driving a mule loaded with sticks,
a dead man swimming in the river
that separates the world of the living from the world of the dead,
and old women weaving.
These, the tower warns, will seek to divert her by pleading for her help:
she must ignore them.
The cakes are treats for distracting Cerberus,
the three-headed watchdog of Orcus,
and the two coins for Charon the ferryman,
qso she can make a return trip.

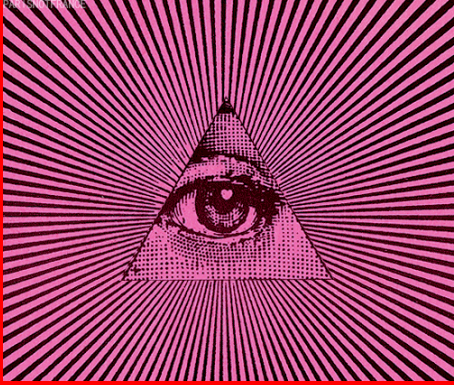

Everything comes to pass according to plan,
and Proserpina grants Psyche's humble entreaty.
As soon as she reenters the light of day, however,
Psyche is overcome by a bold curiosity,
and can't resist opening the box in the hope of enhancing her own beauty.
She finds nothing inside but an "infernal and Stygian sleep,"
which sends her into a deep and unmoving torpor.

Re-Twining of immortal love
Meanwhile, Cupid's wound has healed into a scar,
and he escapes his mother's house by flying out of a window.
When he finds Psyche,
he draws the sleep from her face and replaces it in the box,
then pricks her with an arrow that does no harm.
He lifts her into the air, and takes her to present the box to Venus.

He then takes his case to Zeus,
who gives his consent in return for Cupid's future help
whenever a choice maiden catches his eye.
Zeus has Hermes convene an assembly of the gods in the theater of heaven,
where he makes a public statement of approval,
warns Venus to back off, and gives Psyche ambrosia,
the drink of immortality, so the couple can be united in marriage as equals.
Their union, he says, will redeem Cupid
from his history of provoking adultery and sordid liaisons.
Zeus's word is solemnized with a wedding banquet.
With its happy marriage and resolution of conflicts,

the romantic manner is a never ending existence
annoyed and blessed as thy feeling called

The Wedding twine of Cupid and Psyche

The assembly of the gods & goddess"s

has been a traditional parish to thou lunar monestary

thou mass entertainment of serving our existence

for both visual and performing arts,

with the wedding banquet of Cupid and Psyche

was particularly a divine occasion.

With the wedding of Peleus and Thetis,

this is the most common setting for a "Feast of the Gods"

Apuleius describes the scene

in terms of a festive Roman dinner party (cena).

Cupid, now a husband, reclines in the place of honor

(the "top" pond) and embraces Psyche in his lap.

Zeus and Hera situate themselves likewise,
and all the other gods are arranged in order.
The cupbearer of Jove (Zeus's other Roman name)
serves him with nectar, the "wine of the gods";
Apuleius refers to the cupbearer only as ille rusticus puer,
"that country boy," and not as Ganymede.
Liber, the Roman god of wine, serves the rest of the company.
Vulcan, the god of fire, cooks the food; the Horae
("Seasons" or "Hours") adorn, or more literally "empurple,"
everything with roses and other flowers;
the Graces suffuse the setting with the scent of balsam,
and the Muses with melodic singing.
Apollo sings to his lyre, and Venus takes the starring role in dancing
at the wedding, with the Muses as her chorus girls,
a satyr blowing the aulos (tibia in Latin),
and a young Pan expressing himself through the pan pipes (fistula).
as a gift of thy gods & goddess's
all 12 Olympians grant cupid & psyche safe passage
they are now by nymphous rights to twine
for thy sacred twine ritual
is a divine union between two lovers
who decide on this beautiful decision
to always be with eachother spiritually mentally & conciously
for a twine is a twine when thou lover
is away from ye sight to see or hold close
she with his permission is divinely allowed
to be with him in mind body & spirit
where ever he goes alone or with others
she can see
feel
know
and speak freely inside his soul
but he who is twine with her twine
is forbidden to do thy same as she is able to sew
for it would not be permanent as a twine between both twines
she has total trust in her lover
as does thy male have ultimate trust in her as well

SCIENTIFIC METHOD OF MASS EXTINCTION

THA INTELLIGER DESIGNER YHVH

DECIDED TO WARM THA PLANET

AND CHANGE ALL LIFE

INTO YE` DECISION

For as in the days that were before the flood

they were eating and drinking, marrying

and giving in marriage

It is pretty obvious that

“marrying and giving in marriage”

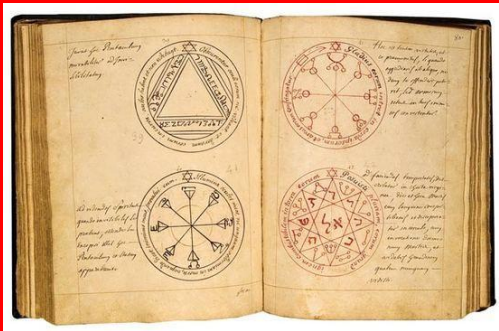

is associated with sex

Thus women are being forced to marry

In order to have sex

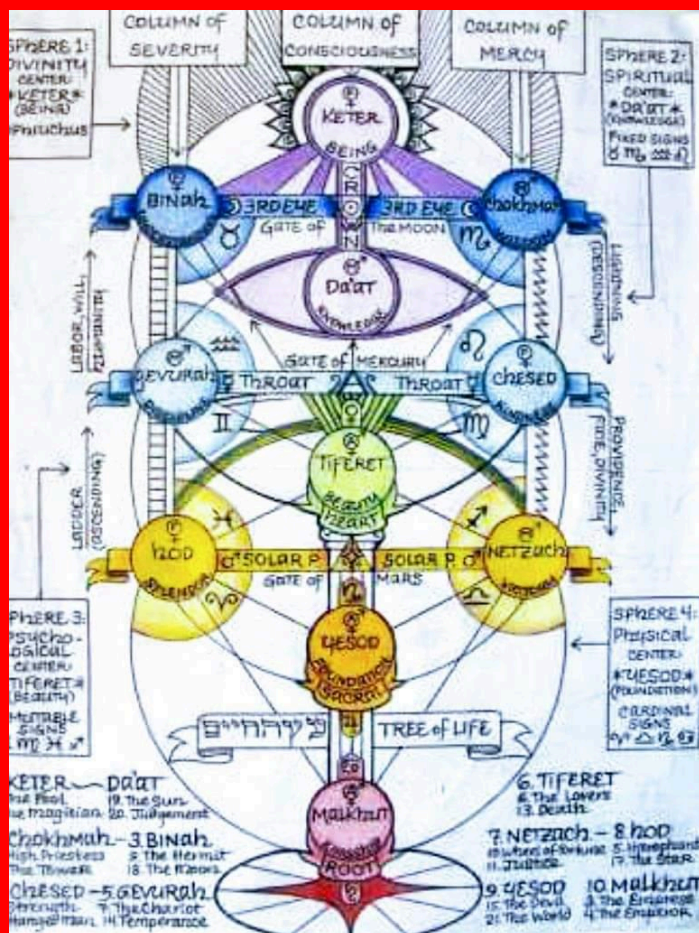

Alas, in these present times
as in the days that were before the flood
everybody is enjoying the sexual act;
presently people
are in a flood of sexual degeneration
loveless sex with no romance or thought
Women being married off to heartless men
the tides of this evil and lustful generation
are unbelievable
That is why it is written:
And Elohim saw that the wickedness of man
was great in the earth,
and that every imagination
of the thoughts of his heart
was only evil continually
And it repented Jah-Chavah
that he had made man on the earth
(but not in heaven)
and it grieved him at his heart
And Jah-Chavah said:
I will destroy man & itz Rotten Offspring
whom I have Biologically created
from the StarDust of the earth
"atom's proton's & electron's etc."
(but not from the face of heaven);
both man (better said: intellectual beast)
and (irrational) beast
and the creeping thing
and the fowls of the air;
for it repenteth me that I have made them

But Noah (the Nous atom)
found grace in the eyes of Jah-Chavah
And the Elohim looked upon the earth
and said, behold...
The Heart of Man & Children
has been corrupt; spiritually rotten to thy core
for all flesh had corrupted
Ye` way upon the earth
And the Elohim said unto Noah,
The end of all flesh is come before us;
for the earth is filled with violence
through them;
and YhvH "God" said behold...
We will Extinct them with thee` earth
(meaning the civilization)
–Hebrew Genesis 6: 5-8, 12, 13

((((((((בראשית רבה ל"ח, יג)))))))))

Ye' [Abraham] was seized over to Nimrod

[Nimrod] told him: Worship the Fire!

Abraham said to him:

Shall I then worship the water,

which puts off the fire!

Nimrod told him: Worship the water!

[Abraham] said to him:

If so, shall I worship the cloud,

which carries the water?

[Nimrod] told him: Worship the cloud!

[Abraham] said to him:

If so, shall I worship the wind,

which scatters the clouds?

[Nimrod] said to him: Worship the wind!

[Abraham] said to him:

And shall we worship the human,

who withstands the wind?

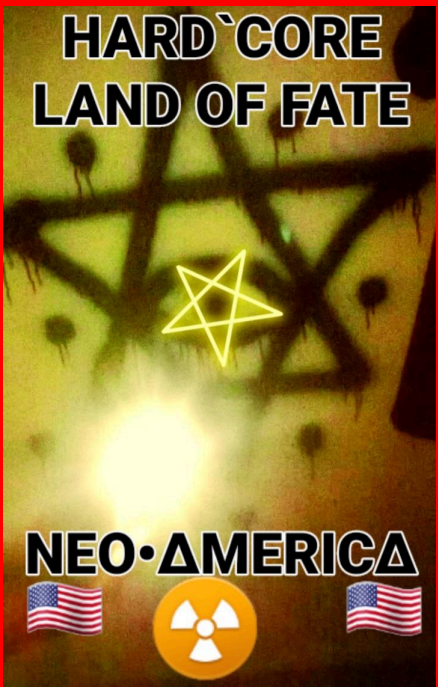

Said [Nimrod] to him:
You pile words upon words,
I bow to none but the fire
And—in it shall I throw you,
and let the God to whom you bow too
come and spare you from it!
Haran [Abraham's brother]
was standing there.
He said [to himself]: what shall I do?
If Abraham wins,
I shall say: "I am with GOD"
, if Nimrod wins
I shall say "Nimrod' is King"
When Abraham went into the furnace
and survived,
Haran was asked: by Queen Semiramis
"Whose country are you too?"
and he answered: "I am with Abraham's!"
[Then] they took him
and threw him into the furnace,
and his belly melted open
and he died instantly

Children are Born Pharisees Just as Well as Strait boys Are Jew

FOR ALL EMPERORS OF WESTERN ROME

& NOT EASTERN ROME

CELEBRATED THIS AS A GIFT

TO OPEN EACHOTHER UP BY PRESENTING YE"ANAL

BUT POOR OLE' HEROD

WASNT A CAESAR NORE A EMPEROR

HE WAS ONLY PLACED IN POWER

IN THY JEWISH DISTRICTS AS "KING OF JEWS"

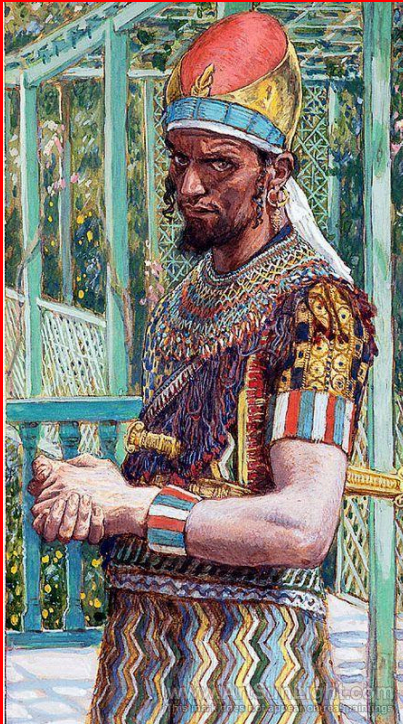

IN ORDER TO KEEP ROME IN ORDER

FROM JEWISH RIOTS & UP RISE

HOW HEROD WAS DECIDED

WAS A ROMAN SECRET OF MURDER & ADULATORY

FOR HEROD THY GREAT

WAS SUPPOSIVELY A JEWISH SCIENTIST

WHO INVENTED THY HYDRAULIC CONCRETE

& ARCHITECTURAL BLUE-PRINTS

THAT BUILD THY GREATIST STRUCTURES OF ROME

HE SAID TO BEGAN ALL MODERN MANSONARY CONCRETE

THAT CHANGED ALL CONSTRUCTION

TO BUILDINGS OF THY ROMAN EMPIRE

FOR IT IS THA JEWS WHO BUILD THY BUILDINGS

AND CARPETING TO ROMAN CULTURE

SO THUS THY EMPIRE NEEDED A CAPABLE MAN

TO UNDER HAND THERE JEWISH CAPTIVES

AS A WORKING CONGREGATION

SOO THUS THY EAST & WEST

This detail from the Lindisfarne Gospels, specifically the 'Fall of Man' page, depicts a king on a horse in a courtyard. The king, wearing a crown and ornate armor, is mounted on a blue horse and holds a spear. He is surrounded by soldiers in blue and gold armor. In the background, a throne is set under a canopy, flanked by large, ornate columns. A fountain with a central figure is visible in the courtyard. The scene is set within a walled enclosure, with a city visible in the distance.

THUS ONCE UPON A TIME A STORY WAS PASSED DOWN
FROM JEW TO SHINNING JEW
AND ALL JEWS KNEW THY NIGHT
BEFORE ROMAN CHRISTMAS
WASNT FOR JEWS
THEY WOULD LIGHT ALL THERE CANDLES
TO THERE JEWISH HOLIDAY EVERYDAY
AND PRAY FOR THY COMING MESSIAH
WHO WOULD TAKE ALL THY HOMOSEXUALS AWAY
SO THUS IT WAS SAID BY ALL JEWS & PHARISEES
THAT THY BRIGHTIST STAR
IS WHERE THY STAR OF DAVID
WILL SHINE DOWN ON THY HERITAGE OF DAVID
AND GIVE BIRTH TO THY BLOOD
OF THERE FORMER KING WHO WAS DAVID

BUT POOR OLE HEROD THY SAINT
CRYED IN HIS MURDER PALACE OF JEWS & GAYS
STATING TO THINE SELF
IN YE" RETIRE THAT HE IS "KING OF ALL JEW'S"
THUS HEROD BECOMES HEROD IN YE" MIND
THAT IT IS TIME TO FIND THY BIRTH OF CHRIST
PROPHECY BY THY PROPHETS OF JEW

☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆

HEROD SECRETLY ANNOUNCES IT TO ONLY HIS JEWS ASSOCIATES
THAT WE MUST GREET THY NEW BORN IN THIS ROME

AS A GIFT OF CHARITY TO TREASURE
A PRESENT ON THIS FAMILY THAT SAYS
THAT THEY HAV3 THA BLOOD OF DAVID
COARSEING THRU THERE VAINS
SOOO THREE KINGS WOULD TRAVEL DAY AND NIGHT
WITH GOLD TO GIVE BABY JESUS
SOO BABY JESUS HAS MONEY AND RICHES
SO JESUS CAN GROW UP SPECIAL
AS KING DAVID'S SPECAIL LIL'STAR
☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆
3YEARS STRAIT $365 \times 3 =$ MURDER
ON ALL WHO SAY THEY ARE THA ONE
WITH SUCH LUCK TO BE GIVEN SO MUCH GOLD

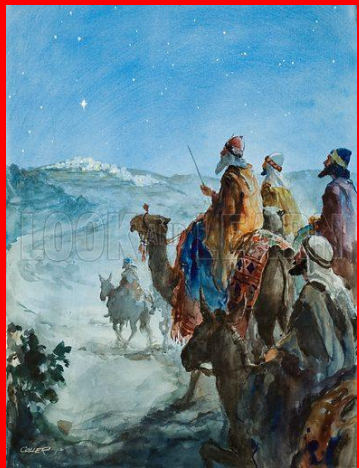

ARCH-ANGEL GABRIEL SENSED
A GREAT DISTURBANCE IN THY FORCE ON EARTH
AND APPEARED TO JOSEPH AND MARY
A YEAR BEFORE THY 3RD YEAR OF DEATH
AND SAID TO JOSEPH
U MUST TRAVEL TO EYGPT
AND SETTLE DOWN THERE AWAY FROM HEROD'S 3WISE MEN

FOR THESE 3WISE MEN
WILL ASK THEY JEWISH PARENTS & FAMILIES A QUESTION
AND ALL WHO LIVE IN THY VILLAGE OF THESE JEWS TOO IF ITZ TRUE
WILL DIE BY THY YES OR NO QUESTIONS

OF HEROD"S CONQUEST OF DEATH 2 CHILDREN
CLAIMING TO HEROD THY GREAT
"THEY TOOK THA GOLD THEY SAID THIS IS JESUS"
THUS ARCH-ANGEL GABRIEL
TOLD JOESPH GO BY MIDNIGHT OF A NEW MOON
WHEN NO LIGHT IS IN THY SKY TO SEE AT NIGHT NORE TORCH 2BURN
4THY ROMAN SOILDERS WILL SEE & THINK URE AN ENEMY
TAKE URE SON EMMANUEL & URE WIFE MARY
TO THY FORBIDDEN LAND
AND DWELL THERE TILL THY ROMANS OCCUPY THIS KINGDOM TOO
HEAVE ye' CALL JOSEPH
FOR U ARE THA ONE TO RAISE EMMANUEL TO BE CHRISTED

Rebirth Fatalism

**This is the process in which a soul
goes through a succession of lifetimes
as one of many forms of sentient beings ,
beginning at conception until its death
Souls are not eternal or unchanging,
in fact they are not even truly independent
from the rest of the universe according to their belief in Anatta
There are 31 planes of existence in which a rebirth
can take place ,
and a soul will transmigrate
or incarnate into a being in one of these places :**

1. NARAKA Beings

- Those that live in one of the Narakas (Hells).

2. PRETA Beings

- Invisible spirits , Sometimes sharing the same space as humans.

3. TIRYAGYONI Beings (Animals)

**- The beings that share the same realm as that of humans ,
and are of the nature of the Buddha
and thus have the most potential for enlightenment.**

4. MANUSHYA Beings (Humans)

- On a realm on which the soul may attain Nirvana

5. ASURAS (Demons)

**- Low deities , demons , Titans , antigods,
traditionally believed to be a seperate realm**

6. DEVAS (Gods)

- Including the Brahmas , the Gods , deities , angels etc.

Rebirth into higher heavens known as Suddhavasa worlds
or pure worlds can only be attained by skilled Buddhist monks known as non-returners (Anagamis)
