WG Name	AFRALO RALO Operating Principles (ROP) WG
WG Co-Chairs	ISAAC MAPOSA & ABDELDJALIL BACHAR BONG
WG Workspace URL	https://community.icann.org/display/AFRALO/AFRALO+ROP+WG+REVIEW+2023
WG Mailinglist	afralo-rop@atlarge-lists.icann.org
Working Group Scope	Review of the AFRALO RALO Operating Principles

WG Goals

1. Organize a webinar with AFRALO community members
2. Get input from AFRALO community members on the Operating Principles
3. Update the RALO Operating Principles in line with feedback from Community members

Decision-Making Methodology

Decisions shall be made based on the consensus of the WG members
If It becomes evident after several iterations that it is impossible to reach an agreement, voting will be used and a decision made through majority votes of WG members available at the time of voting.
