

ASK OTTILIE BAADER

Purpose

Deepen your understanding of the impacts of industrialization by taking the perspective of someone who lived it.

Process

1. Read the [graphic biography *Ottilie Baader*](#). As you read, use the context (time, place, and circumstance) to imagine yourself in her shoes. If you'd like additional context, [read the extended biography](#).
2. From Ottilie Baader's perspective, how do you think she would answer this question: *How did industrialization impact people's lives?*

3. What evidence from her story did you use to determine how she would answer?

4. If you could ask Ottilie Baader any other question about her life in the industrial age, what would it be?
