Lan: Oh, yes. It's an interesting language and it s very useful.

Read the article about talking to people on the Internet. Are the statements 1-5 right (A), Wrong (B) or 'Doesn't say' (C)? Write A, B or c next to each statement. (1 m). Communication

The way we communicate with our friends has changed. These days, we have conversations on the computer or the mobile phone. We don't write letters much more. We write emails instead. Internet sites like Facebook help us find old friends, talk with other people and join groups with similar interests. Facebook is also useful if you want to invite people to a party or a concert. The good thing is we can invite lots of people at the same time, so it's quicker and cheaper than sending lots of invitations.

- 26. We talk to each other in the same way as people did in die past.
- 27. People use technology several times a day to communicate.
- 28. People write emails less now than they used to do.
- 29. You can find people from the past on the Internet.
- 30. The Internet is a quick way of inviting friends to a party.

E. WRITING

I. Complete the second sentence with the same meaning so that it has the same meaning as the first one. (1 m).
