

Donations in Memory of Barrett Morrison:

We greatly appreciate the outpouring of love and support during Barrett's life and this difficult time. As a way to give back, we have chosen to share a way to donate to the Atrium Health Neurosciences Institute/ALS Clinic. The staff and resources at the ALS Clinic gave so much of themselves and helped Barrett so much with care, grants, and equipment.

There are four funds dedicated directly to ALS Patients. Since helping others was so important to Barrett during his life, we wanted to note that the ALS Care Fund and PinStripes Fund directly help patients like Barrett was.

Please see the instructions below and information from Atrium on the second page.

How to Donate:

- 1) Visit: <https://fundraise.atriumhealthfoundation.org/give/255929/#!/donation/checkout>
- 2) Under Select an Amount the default is Donate Once. You can enter "Other" for a custom donation amount
- 3) Select the option to "Dedicate my donation in honor or in memory of someone"

☒ Dedicate my donation in honor or in memory of someone

Carolinas Multiple Sclerosis Fund

Carolinas Parkinson's Disease & Movement Disorders Endowment

Parkinson's Disease & Mvmnt Disorders Patients Spec Needs Fund

Parkinson's Patient Exercise & Physical Therapy Fund

- 5) Fill out your information and click the green "GIVE NOW!" button at the bottom of the page.

Neurosciences Funds

for **ALS** patient care and research

ALS Endowment

This endowment provides operating support for treatment, patient support, education, and research programs conducted by the team at our Center.

ALS Research Fund

This fund supports clinical and scientific research activities directed toward enhanced diagnosis and treatment of ALS.

ALS Care Fund

This fund supports provision of respite caregiving grants for ALS patients and families served by the team at our Center.

PinStripes Fund

This fund supports initiatives that directly affect the patient care such as research programs and provision of loaner equipment.
